The truck's role in American society changed dramatically from the 1960s through the 1980s, with the rise of off-roaders, the van craze of the 1970s and minivan revolution of the 1980s, the

popularization of the SUV as family car and the diversification of the pickup truck into multiple forms and sizes. This comprehensive reference book follows the form of the author's popular volumes on American cars. For each year, it provides an industry overview and, for each manufacturer, an update on new models and other news, followed by a wealth of data: available powertrains, popular options, paint colors and more. Finally, each truck is detailed fully with specifications and measurements, prices, production figures, standard equipment and more.

This compilation of poems is rolled out as one long poem which spans the journey of the spiritual growth of an adulterous woman in a nation spinning, while facing unspeakable adversity with grace and love. It also deals with individual spiritual growth and transferring love from a man to God, and also with National Politics in the USA and the threat of ISIS. It is not only poetry, but also draws influence from "Spoken Word" traditions. In the Afterword you will find a treasure of a Christian Testimony in the form of another Poem by Jamie Wyatt. "Dearest friends, for a long time I was in a place where my exterior circumstances controlled me internally, and I was miserable, not only because it wasn't I who had control, but also because those external circumstances were being imposed against my will, and like everyone else, I blamed it on our President (reminds me of Pink's song, "Mr. President," which was for a different Administration). Eventually, I started opening my mind to the possibility that if the good Lord had permitted so and so to happen, despite intercessory prayer, there was a reason for it and it was His Will. I still didn't like it; so, He opened up the heavens and showed me a little piece of His masterpiece here on earth- He let me see the grid and aliens and bad stuff too: I see ISIS for who they are. Then I realized, I'm just a little spec of sand on the map of time, in one universe, and if I could do some good to at least one other little spec of sand or two - that would probably be enough, and if there was some way the good Lord could use even my suffering and frustration, He would use it for at least my own benefit and someone else's. God is great and nothing is wasted! So no matter what you're going through, know that God will somehow turn it to good in due time. Relish the fight! But love will get you peace. Blessings, hugs and warm thoughts to you and yours! God bless us and God bless the USA!" -Audrey Andujar Wright

Bulletface 4: The Cocaine King Gunfire and the fiery sting of bullets spiraling through his body are Blake "Bulletface" King's last memories before the coma. Left struggling for his life following a vicious South Beach shooting, Bulletface wakes up in a Dade County hospital weeks later and immediately sets out to recuperate and bounce back to the celebrity rap god he's been for the past several years. It wouldn't take much. With tons of cocaine bricks and billions of dollars in illegal drug money at his disposal, he knows he'll be back to his old self in no time. He learns that his archenemy - Trintino "T-Walk" Walkson- has been assassinated, and the news brings him peace. But then he comes face to face with T-Walk's brothers, V-Walk and B-Walk, and he quickly learns that dangerous minds are inherent in the Walkson family.

I've always been the guy who plays the field. I like variety and my career ensures that I can have my pick of women. Until her... I've always been the girl who wants more. I want the white picket fence, the two point five kids and the dog. That's what all little girls grow up dreaming about. Until him... Why is it that she's all I can see? I no longer want the variety instead all I want is her. I won't stop until she believes that she's mine. I assure you... He's not the kind of guy I usually date. He's cocky, and famous and that hair. He says I'm what he wants, but I know his type. He likes to play the field. Only with me he's different. He's assured.
