 Tiny Fey the self deprecating Bossypants in the book of the same name, has managed to write an autobiography that reads more like a comedic movie script than a novel about her life The book is slightly dated now as her show 30 Rock is no more. Several of the people she mentions have died and many of the married couples have "uncoupled".

 "Bossypants," by Tina Fey, isn't a memoir; it's a spiky blend of humor, introspection, critical thinking and Nora Ephronisms for a new generation.

'Bossypants' by Tina Fey - Review - The New York Times
 Non-Fiction On her way to becoming an award-winning superstar, Tina Fey struggled through some questionable haircuts, some after-school jobs, the rise of nachos as a cultural phenomenon, a normal childhood, a happy marriage and joyful motherhood. Now she can reflect on what she's learned: you're no one until someone calls you bossy.

 In honor of the five-year anniversary of Bossypants, here's a list of 12 life lessons I learned from Tina Fey's book. The book offers important thoughts on being a professional woman, dating, raising children, and beauty, so take notes. 1. "Some people say, 'Never let them see you cry.'

12 Life Lessons I Learned From Tina Fey's 'Bossypants' - BUST
 Spirited and whip-smart, these laugh-out-loud autobiographical essays are "a masterpiece" from the Emmy Award-winning actress and comedy writer known for 30 Rock, Mean Girls, and SNL (Sunday Telegraph).

Bossypants by Tina Fey, Paperback | Barnes & Noble®
 About Bossypants book: Once in a generation a woman comes along who changes everything. Tina Fey is not that woman, but she met that woman once and acted weird around her.

Bossypants (Tina Fey) ePub, PDF - Hot Book Review
 Bossypants was such a fun and inspiring read. I had a really great time hanging out with Tina Fey for the duration of this book. She's a feminist, but she keeps it real (see her discussion of airbrushing magazine photos). She's a hardworker, but she...

 Publisher Description Spirited and whip-smart, these laugh-out-loud autobiographical essays are "a masterpiece" from the Emmy Award-winning actress and comedy writer known for 30 Rock, Mean Girls, and SNL" (Sunday Telegraph).

Spirited and whip-smart, these laugh-out-loud autobiographical essays are "a masterpiece" from the Emmy Award-winning actress and comedy writer known for 30 Rock, Mean Girls, and SNL (Sunday Telegraph). Before Liz Lemon, before "Weekend Update," before "Sarah Palin," Tina Fey was just a young girl with a dream: a recurring stress dream that she was being chased through a local airport by her middle-school gym teacher. She also had a dream that one day she would be a comedian on TV. She has seen both these dreams come true. At last, Tina Fey's story can be told. From her youthful days as a vicious nerd to her tour of duty on Saturday Night Live; from her passionately halfhearted pursuit of physical beauty to her life as a mother eating things off the floor; from her one-sided college romance to her nearly fatal honeymoon -- from the beginning of this paragraph to this final sentence. Tina Fey reveals all, and proves what we've always suspected: you're no one until someone calls you bossy. (Includes Special, Never-Before-Solicited Opinions on Breastfeeding, Princesses, Photoshop, the Electoral Process, and Italian Rum Cake!)

For use in schools and libraries only. The breakout star of "Saturday Night Live" and "30 Rock" gives a humorous account of her life, as well as behind-the-scenes stories from her hit shows.

"When Awesome Dog's heroics gain media attention, Marty, Skyler, and Ralph find themselves targeted by the narcissistic mayor of Townville"--

"When Awesome Dog's heroics gain media attention, Marty, Skyler, and Ralph find themselves targeted by the narcissistic mayor of Townville"--

Having the bad luck to die the night before the Oscars after having finally been nominated, self-obsessed movie star Tyler Johnes bargains with a heavenly gatekeeper to allow him to return to Earth for the Academy Awards ceremony to see if he won.

In this #1 New York Times bestseller, Ellen DeGeneres shares her hilarious take on everything from our most baffling human foibles—including how we behave in elevators, airplanes, and restrooms, and why we're so scared of the boogeyman—to fashion trends, celebrity, and her secret recipe for Ellen's Real Frenchy French Toast. Most of all, this witty, engaging book offers insights into the mind of one of America's most beloved comics... Dear Reader, I was awfully excited when I was asked to write a book. I was however, nervous. I was afraid I didn't have anything important to say. But when I began writing, I realized that although I don't know a lot about any one thing, I know a little about a whole bunch of things: baking a pie; dancing; curing the common cold; running the Iditarod—it's all in the book. And I realized I notice things that maybe some people don't notice (or they don't notice that they don't notice). That's all in the book, too.

"Saturday Night Live head writer and Weekend Update co-anchor, Colin Hanks, has six sets of stitches on his face alone. He's been punched in at least four different sketches on Saturday Night Live, including once by his boss, Lorne Michaels. But if there's one trait that makes someone well suited to comedy, it's being able to take a punch—metaphorically and, occasionally, physically. From growing up as an overweight kid in a family of firefighters on Staten Island to commuting three hours a day to high school and "seeing the sights" (like watching a Russian woman throw a stroller off the back of a ferry) to attending Harvard while Facebook was created (and choosing comedy instead!), Colin shares how he has navigated the world like a "slightly smarter Forrest Gump." You'll also discover things about Colin that will surprise and confuse you. You'll go behind the scenes at SNL (where he's written some of the most iconic sketches and characters of the past fifteen years) and Weekend Update (where's he's been "the white guy next to Leslie Jones.") And you'll experience the life of a touring stand-up comedian—from performing in rural cafeterias at noon to opening for Dave Chappelle at Radio City Music Hall. For every accomplishment (hosting the Emmys), there is a setback (hosting the Emmys). And for every absurd moment (watching paramedics give CPR to a raccoon), there is an honest, emotional one (recounting his mother's experience on the scene of the Twin Towers' collapse on 9/11.) A Very Punchable Face reveals the brilliant mind behind some of the dumbest sketches on television and lays bare the heart and humor of a hardworking guy-with a face you can't help but want to punch"--

Official Book Club Selection is Kathy Griffin unplugged, uncensored, and unafraid to dish about what really happens on the road, away from the cameras, and at the star party after the show. (It's also her big chance to score that coveted book club endorsement she's always wanted. Are you there, Oprah? It's me, Kathy.) Kathy Griffin has won Emmys for her reality show Kathy Griffin: My Life on the D-List, been nominated for a Grammy, worked and walked every red carpet known to man, and rung in the New Year with Anderson Cooper. But the legions of fans who pack Kathy's sold-out comedy shows have heard only part of her remarkable story. Writing with her trademark wit, the feisty comic settles a few old scores, celebrates the friends and mentors who helped her claw her way to the top, and shares insider gossip about celebrity behavior—the good, the bad, and the very ugly. She recounts the crazy ups and downs of her own career and introduces us to some of the supertalented people she encountered before they got famous (or, in some cases, after fame went to their heads). Word to the wise: If you've ever crossed Kathy Griffin at some point in your life, check the index for your name. Along the way, Kathy reveals intimate details about her life before and after she made the big time. She opens up about everything from growing up with a dysfunctional family in suburban Illinois to bombing as a young comedian in L.A., from her well-publicized plastic surgery disasters to her highly publicized divorce, and more. Only in this book will you learn how the dinner table is the best training ground for a career in stand-up, how speaking your mind can bite you on the ass and buy you a house, and which people in Kathy's life have taught her the most valuable lessons—both inside and outside the entertainment industry. And as if all that wasn't enough, there are also dozens of exclusive and somewhat embarrassing photos from Kathy's own collection—featuring the diva of the D List herself, with her old nose as well as her new one, plus celebrity friends, foes, frenemies, and hangers-on for you to gawk at. Refreshingly candid, unflinchingly honest, and full of hilarious "Did she really say that?" moments, Official Book Club Selection will make you laugh until you cry, or just puke up a little bit.

The former Saturday Night Live comedienne recounts her midlife career slump, long-distance relationship, and unplanned motherhood, which culminated in uproarious childcare activities and the bewilderment of friends and family members.

NEW YORK TIMES BESTSELLER "An inspiring story that manages to be painful, honest, shocking, bawdy and hilarious." —The New York Times Book Review From stand-up comedian, actress, and breakout star of Girls Trip, Tiffany Haddish, comes The Last Black Unicorn, a sidesplitting, hysterical, edgy, and unflinching collection of (extremely) personal essays, as fearless as the author herself. Growing up in one of the poorest neighborhoods of South Central Los Angeles, Tiffany learned to survive by making people laugh. If she could do that, then her classmates would let her copy their homework, the other foster kids she lived with wouldn't beat her up, and she might even get a boyfriend. Or at least she could make enough money—as the paid school mascot and in-demand Bar Mitzvah hype woman—to get her hair and nails done, so then she might get a boyfriend. None of that worked (and she's still single), but it allowed Tiffany to imagine a place for herself where she could do something she loved for a living: comedy. Tiffany can't avoid being funny—it's just who she is, whether she's plotting shocking, jaw-dropping revenge on an ex-boyfriend or learning how to handle her newfound fame despite still having a broke person's mind-set. Finally poised to become a household name, she recounts with heart and humor how she came from nothing and nowhere to achieve her dreams by owning, sharing, and using her pain to heal others. By turns hilarious, filthy, and brutally honest, The Last Black Unicorn shows the world who Tiffany Haddish really is—humble, grateful, down-to-earth, and funny as hell. And now, she's ready to inspire others through the power of laughter.
