~~Now What~~

~~Up from Down is not a book about gloom and doom, but an inspirational book that offers hope to all who have faltered. Strung out on heroin, Ted Adamson began his journey with a SWAT team descending on a pharmacy to stop his wild rampage in search of drugs. From the cruelty in the county jail to race riots in state prison, the hard, gritty life of a drug addict is portrayed in all its real-world ugliness and despair. Join Ted as he gives us a picture of what the life of a junkie is really like. Look inside the dark side of drug treatment programs. From the bizarre therapies of the Synanon-like Family to the modern twelve-step programs, you will see what passes as treatment in the modern recovery movement. Up from Down takes readers to the depths of human degradation then brings them back through a journey of redemption.~~

~~A compassionate, user-friendly handbook for family and friends navigating the many challenges that come with a loved one's new-found sobriety. A relative or friend has finally taken those tentative first steps toward sobriety. With the relief of this life-changing course of action comes a new and difficult set of challenges for recovering addicts and those who love them. Family members and friends often find themselves unsure of how to weather such a dramatic turn, as the rules and routines of their relationships no longer pertain.Everything Changes assuages fears and uncertainty by teaching loved ones of newly recovering addicts how to navigate the often-tumultuous early months of recovery. Beverly Conyers, author of the acclaimed Addict in the Family, again shares the hope and knowledge that she gained as a parent of a recovering addict by focusing on the aftermath of addiction. She outlines the physical and psychological changes that recovering addicts go through, and offers practical tools to help family members and friends:build a fresh, rewarding relationship with the addictbe supportive without setting themselves up for disappointmentavoid enabling destructive behaviorset and maintain boundariescope with relapsedeal with the practicalities of sober living, such as helping the addict find a job and deal with the stigma of addiction.~~

~~2016 INTERNATIONAL BOOK AWARDS - WINNER IN ADDICTION & RECOVERY 2016 NATIONAL INDIE EXCELLENCE AWARDS (NIEA)- WINNER IN ADDICTION & RECOVERY 2016 INDEPENDENT PUBLISHER BOOK AWARDS (IPPY)- BRONZE MEDAL ▯ LITERARY FICTION 2015 FOREWARD REVIEWS INDIEFAB BOOK OF THE YEAR AWARDS HONORABLE MENTION FOR GENERAL FICTION 2015 USA BEST BOOK AWARDS FINALIST FOR GENERAL FICTION Randall Grange has been tricked into admitting herself into a treatment center and she doesn't know why. She's not a party hound like the others in her therapy group,but then again, she knows she can't live without pills or booze. Raised by an abusive father, a detached mother, and a loving aunt and uncle, Randall both loves and hates her life. She's awkward and a misfit. Her parents introduced her to alcohol and tranquilizers at a young age, ensuring that her teenage years would be full of bad choices, and by the time she's twenty-three years old, she's a full-blown drug addict, well acquainted with the miraculous power chemicals have to cure just about any problem she could possibly have!and she's in more trouble than she's ever known was possible.~~

~~A practical guide for people in early recovery committed to developing self-awareness and personal clarity ▯ two of the key principles for living free of drugs and alcohol. Grounded in both addiction science and Twelve Step spirituality, A New Day, A New Life--a guided journal and video--is designed to serve as a steadfast companion for those facing the challenges and joys of early recovery.The video features an intimate, candid discussion between best-selling author and recovery advocate William Cope Moyers and a diverse group of people in recovery. By sharing their personal experiences, they give people who are newly sober a breadth of knowledge about what it takes to stay on track.The journal--consisting of daily inspirational and educational messages, meditations, prayers, and affirmations, as well as space for writing thoughts and feelings--helps readers connect the knowledge that they have drawn from the video to their own experiences with addiction and sobriety.~~

~~An authoritative, illuminating, and deeply humane history of addiction;a phenomenon that remains baffling and deeply misunderstood despite having touched countless lives;by an addiction psychiatrist striving to understand his own family and himself ▯Carl Erik Fisher;is The Urge is the best-written and most incisive book I've read on the history of addiction. In the midst of an overdose crisis that grows worse by the hour and has vexed America for centuries, Fisher has given us the best prescription of all: understanding. He seamlessly blends a gripping historical narrative with memoir that doesn't self-aggrandize; the result is a full-throated argument against blaming people with substance use disorder. The Urge is a propulsive tour de force that is as healing as it is enjoyable to read.▯Beth Macy, author of Dopesick Even after a decades-long opioid overdose crisis, intense controversy still rages over the fundamental nature of addiction and the best way to treat it. With uncommon empathy and erudition, Carl Erik Fisher draws on his own experience as a clinician, researcher, and alcoholic in recovery as he traces the history of a phenomenon that, centuries on, we hardly appear closer to understanding;let alone addressing effectively. As a psychiatrist-in-training fresh from medical school, Fisher was soon face-to-face with his own addiction crisis, one that nearly cost him everything. Desperate to make sense of the condition that had plagued his family for generations, he turned to the history of addiction, learning that the current quagmire is only the latest iteration of a centuries-old story: humans have struggled to define, treat, and control addictive behavior for most of recorded history, including well before the advent of modern science and medicine. A rich, sweeping account that probes not only medicine and science but also literature, religion, philosophy, and public policy, The Urge illuminates the extent to which the story of addiction has persistently reflected broader questions of what it means to be human and care for one another. Fisher introduces us to the people who have endeavored to address this complex condition through the ages: physicians and politicians, activists and artists, researchers and writers, and of course the legions of people who have struggled with their own addictions. He also examines the treatments and strategies that have produced hope and relief for many people with addiction, himself included. Only by reckoning with our history of addiction, he argues;our successes and our failures;can we light the way forward for those whose lives remain threatened by its hold. The Urge is at once an eye-opening history of ideas, a riveting personal story of addiction and recovery, and a clinician's urgent call for a more expansive, nuanced, and compassionate view of one of society's most intractable challenges.~~
