Business: A Changing World is the fastest growing introduction to business text available today. Its success is due in large measure to the real-world, skill-building, decision-focused framework in a compact and timely format, as well as the authors' commitment to providing the content and teaching materials that instructors and students desire.

Contemporary examples and boxed features help the fundamental concepts of business come alive for students. The authors provide an abundance of new real-world examples, cases, boxed features, and exercises to make the course interesting and exciting. Feedback from adopters and reviewers alike indicates that they have done an excellent job in providing a complete teaching package that engages and connects students to the realities of business. Authors O.C. Ferrell and Geoff Hirt emphasize the important issues and challenges facing business today, but they also believe that there must be a balance in coverage to avoid an over-emphasis of trendy topics. They believe that students must first learn some of the fundamental concepts that provide a foundation for understanding the world of business. This 4th Edition of Business: A Changing World continues the technology trail-blazing tradition that made the 3rd Edition so successful. In addition to Cybertrak icons throughout the text that lead the students directly to

A brief alternative to other texts, Business and Society provides an overview of corporate citizenship in 12 chapters, with 10 cases that cover small, large, and non-profit businesses. Students--both undergraduates and MBA majors--will gain the skills and background knowledge necessary to make informed opinions about how organizations implement various strategies to fulfill their social and financial goals. Opening vignettes profile an organization or situation relevant to each chapter's main focus so that students can preview key concepts. The authors revisit the vignettes throughout to clarify the examples in light of new ideas. Experiential Exercises at the end of each chapter promote higher-level learning and require students to apply, analyze, synthesize, and evaluate the concepts, practices, and benefits associated with corporate citizenship. The Instructor's Resource Manual features several Behavioral Simulation Role-Playing Cases designed to develop teamwork and group decision-making skills.
