"You either love Andrea Camilleri or you haven't read him yet. Each novel in this wholly addictive, entirely magical series, set in Sicily and starring a detective unlike any other in crime fiction, blasts the brain like a shot of pure oxygen — altogether transporting. Long live Camilleri, and long live Montalbano." A.J. Finn, #1 New York Times bestselling author of *The Woman in the Window* "In Sicily, where people do things as they please, Inspector Salvo Montalbano is a bona fide folk hero."—The New York Times Book Review When Inspector Montalbano falls under the charms of beautiful gallery owner Marian, his longtime relationship with Livia comes under threat. Meanwhile, he is also troubled by a strange dream as three crimes demand his attention: the assault and robbery of a wealthy merchant's young wife, shady art deals, and a search for arms traffickers that leads him deep into the countryside, where the investigation takes a tragic turn.

"You either love Andrea Camilleri or you haven't read him yet. Each novel in this wholly addictive, entirely magical series, set in Sicily and starring a detective unlike any other in crime fiction, blasts the brain like a shot of pure oxygen. Aglow with local color, packed with flint-dry wit, as fresh and clean as Mediterranean seafood — altogether transporting. Long live Camilleri, and long live Montalbano." A.J. Finn, #1 New York Times bestselling author of *The Woman in the Window* With Inspector Montalbano's most recent outings hitting the New York Times bestseller list, Andrea Camilleri's darkly refined Italian mysteries have become favorites of American crime novel fans. This latest installment finds Montalbano in search of his missing right-hand man. Before leaving for vacation with Livia, Montalbano witnesses a seagull doing an odd dance on the beach outside his home, when the bird suddenly drops dead. Stopping in at his office for a quick check before heading off, he notices that Fazio is nowhere to be found and soon learns that he was last seen on the docks, secretly working on a case. Montalbano sets out to find him and discovers that the seagull's dance of death may provide the key to understanding a macabre world of sadism, extortion, and murder.

Collected in one volume—the first three books in the bestselling Inspector Montalbano mystery series “You either love Andrea Camilleri or you haven't read him yet. Each novel in this wholly addictive, entirely magical series, set in Sicily and starring a detective unlike any other in crime fiction, blasts the brain like a shot of pure oxygen. Aglow with local color, packed with flint-dry wit, as fresh and clean as Mediterranean seafood — altogether transporting. Long live Camilleri, and long live Montalbano.” A.J. Finn, #1 New York Times bestselling author of *The Woman in the Window* American readers were first introduced to Sicily's inimitable Inspector Salvo Montalbano more than ten years ago. Since then, the detective—and his characteristic mix of humor, cynicism, compassion, and love of good food—has won the affection of crime fiction aficionados and Italophiles alike. With Andrea Camilleri's last two mysteries appearing on the New York Times bestseller list, it's clear that interest in the series is at an all time high. Now, *Death in Sicily* features the Inspector's first three adventures in one handy volume, offering new readers just the enticement they need to get started.

“The novels of Andrea Camilleri breathe out the sense of place, the sense of humor, and the sense of despair that fills the air of Sicily.” —Donna Leon When a colleague extends his summer vacation, Inspector Salvo Montalbano is forced to stay in Vigàta and endure the August heat. Montalbano's long-suffering girlfriend, Livia, joins him with a friend—husband and young son in tow—to keep her company during these dog days of summer. But when the boy suddenly disappears into a narrow shaft hidden under the family's beach rental, Montalbano, in pursuit of the child, uncovers something terribly sinister. As the inspector spends the summer trying to solve this perplexing case, Livia refuses to answer his calls—and Montalbano is left to take a plunge that will affect the rest of his life. Fans of the Sicilian inspector as well as readers new to the popular series will enjoy following the melancholy but unflinchingly moral Montalbano as he undertakes one of the most shocking investigations of his career.

The Track of Sand is Andrea Camilleri's twelfth outing in the wryly humorous Inspector Montalbano series. Inspector Montalbano rises one morning to find

the carcass of a horse on the beach in front of his seaside home. But no sooner do his men arrive, than the body has mysteriously vanished, leaving only a track in the sand. Before long Rachele, a beguiling equestrian champion, turns up at police headquarters to report her horse missing. The horse had been stabled at the grounds of a certain Saverio Lo Duca, one of the richest men in Sicily. Lo Duca has lost one of his own horses too. Montalbano, his curiosity piqued, investigates, but before long things take a more disturbing turn . . . But who has Montalbano upset within this strange, unfamiliar world of horse-racing? And what has the Mafia to do with it all? The Track of Sand is followed by the thirteenth novel in the series, The Potter's Field.

In the new novel in the transporting New York Times bestselling Inspector Montalbano mystery series, Montalbano finds his answers to a murder in a theatrical play Mimi Augello is visiting his lover when the woman's husband unexpectedly returns to the apartment; he climbs out the window and into the downstairs apartment, but one danger leads to another. In the dark he sees a body lying on the bed. Shortly after, another body is found, and the victim is Carmelo Catalanotti, a director of bourgeois dramas with a harsh reputation for the acting method he developed for his actors. Are the two deaths connected? Catalanotti scrupulously kept notes and comments on all the actors he worked with, as well as strange notebooks full of figures and dates and names. Inspector Montalbano finds all of Catalanotti's dossiers and plays, the notes on the characters, and the notes on his last drama, Dangerous Turn--the theater is where he'll find the answer.

"The novels of Andrea Camilleri breathe out the sense of place, the sense of humor, and the sense of despair that fills the air of Sicily." —Donna Leon A young Don Juan is found murdered in front of his apartment building one morning, and an elderly couple is reported missing after an excursion to the ancient site of Tindari—two seemingly unrelated cases for Inspector Montalbano to solve amid the daily complications of life at Vigàta police headquarters. But when Montalbano discovers that the couple and the murdered young man lived in the same building, his investigation stumbles onto Sicily's brutal "New Mafia," which leads him down a path more evil and far-reaching than any he has been on before.

"You either love Andrea Camilleri or you haven't read him yet. Each novel in this wholly addictive, entirely magical series, set in Sicily and starring a detective unlike any other in crime fiction, blasts the brain like a shot of pure oxygen. Aglow with local color, packed with flint-dry wit, as fresh and clean as Mediterranean seafood — altogether transporting. Long live Camilleri, and long live Montalbano." A.J. Finn, #1 New York Times bestselling author of The Woman in the Window Inspector Montalbano, praised as "a delightful creation" (USA Today), has been compared to the legendary detectives of Georges Simenon, Dashiell Hammett, and Raymond Chandler. As the fourth mystery in the internationally bestselling series opens, Montalbano's gruesome discovery of a lovely, naked young woman suffocated in her bed immediately sets him on a search for her killer. Among the suspects are her aging husband, a famous doctor; a shy admirer, now disappeared; an antiques-dealing lover from Bologna; and the victim's friend Anna, whose charms Montalbano cannot help but appreciate... But it is a mysterious, reclusive violinist who holds the key to the murder.

Aglow with local color, packed with flint-dry wit, as fresh and clean as Mediterranean seafood — altogether transporting. Long live Camilleri, and long live Montalbano." A.J. Finn, #1 New York Times bestselling author of The Woman in the Window Half the retirees in Vigàta have invested their savings with a financial wizard who has disappeared, along with their money. As Montalbano investigates this labyrinthine financial scam, he finds himself at a serious disadvantage: a hostile superior has shut him out of the case, he's on the outs with his lover Livia, and his cherished Sicily is turning so ruthless and vulgar that Montalbano wonders if any part of it is worth saving. Drenched with atmosphere, crackling with wit, The Smell of the Night is Camilleri at his most addictive.
