Why Plan Strategy? Is church growth theory incompatible with belief in the sovereignty of God? Does adherence to church growth principles leave out dependency upon the work of the Holy Spirit? C. Peter Wagner answers no to both questions. He further believes that no task could be more crucial than fulfilling the Great Commission in our generation, and how to approach and plan for the execution of this task is the questions of the day. *Strategies for Church Growth* addresses this key issue in a biblically pragmatic way. It brings together for the first time many principles of evangelism and missions which have proved, through recent research and experience, to be effective in implementing the Great Commission. It also unifies, in concise form, the latest research of the Church Growth Movement, the Lausanne Committee on World Evangelization, the U.S. Center for World Mission and numerous other key contributors to the recent explosion of evangelistic technology. Among the topics explored are: - the major components of strategy - choosing the appropriate strategy - advantages of having a strategy - the theology of church growth - the harvest principle and soil testing - why you should aim for church growth - characteristics of good goals - the meaning of mission and evangelism - how to target your outreach

Church leaders understand that managing the day-to-day operations of a church can be challenging because of limited resources, managing volunteer labor, and supporting the needs of the congregation. *Smart Church Management: A Quality Approach to Church Administration, Third Edition* is an updated guide for managing the resources of a church - which is people, time and money. This book provides tools and examples for decision making and problem-solving for church administration that is easy to understand and more importantly, quick to implement! This book also includes discussion questions to provoke thought and discussion for church teams. This book is ideal for ministry students, church boards, church leadership and church administrators.

Proven strategies for growing churches by overcoming natural barriers to growth created by various leadership dynamics, now in paperback.

“A perceptive and practical book about why our calendars so rarely reflect our priorities and what we can do to regain control.”—ADAM GRANT “Carey’s book will help you reorganize your life. And then you can share a copy with someone you care about.”—SETH GODIN You deserve to stop living at an unsustainable pace. An influential podcaster and thought leader shows you how. Overwhelmed. Overcommitted. Overworked. That’s the false script an inordinate number of people adopt to be successful. Does this sound familiar: ● Slammed is normal. ● Distractions are everywhere. ● Life gets reduced to going through the motions. Tired of living that way? *At Your Best* gives you the strategies you need to win at work and at home by living in a way today that will help you thrive tomorrow. Influential podcast host and thought leader Carey Nieuwhof understands the challenges of constant pressure. After a season of burnout almost took him out, he discovered how to get time, energy, and priorities working in his favor. This approach freed up more than one thousand productive hours a year for him and can do the same for you. *At Your Best* will help you ● replace chronic exhaustion with deep productivity ● break the pattern of overpromising and never accomplishing enough ● clarify what matters most by restructuring your day ●

master the art of saying no, without losing friends or influence ● discover why vacations and sabbaticals don't really solve your problems ● develop a personalized plan to recapture each day so you can break free from the trap of endless to-dos Start thriving at work and at home as you discover how to be at your best.

The simple revolution is here. From the iPod design to Google's uncluttered homepage, simple ideas are changing the world. Now in paperback after selling more than 100,000 copies in hardcover, multi-awarded #1 national bestseller *Simple Church* guides Christians back to the simple gospel-sharing methods of Jesus. No bells or whistles required. Based on case studies of 400 American churches, Thom Rainer and Eric Geiger prove the disciple-making process is often too complex. Simple churches thrive by taking four ideas to heart: Clarity. Movement. Alignment. Focus. *Simple Church* examines each idea, clearly showing why it is time to simplify.

This is an expanded, 624 page reference tool for the 8-stage transition process found in *How Do We Get There From Here?* (formerly titled, *Making Cell Groups Work*). This sizable compilation is filled with hundreds of articles by pastors and experts, including helpful articles such as how to transition your church's calendar and budget to allow for a growing holistic small group (cell group) ministry; how to choose team members to implement the transition; tips on how to prototype groups; and much much more! One of the most valuable tools found in this resource is a revealing readiness assessment tool, which will help you determine weaknesses (if any) in four key areas of church health, all of which are required for a successful transition.

Every church has a next step for spiritual growth. Is your congregation engaged in an on-fire relationship with Jesus and His work in the world? For ten years, REVEAL research has been the gold standard for measuring spiritual vitality based on its unprecedented database of 500,000 congregants attending 1,800 diverse churches across America. Now in *Rise*, REVEAL researchers offer new comprehensive data--and encouragement from churches in the trenches--to help church leaders gain clear and practical insights about strategic pathways that will enable spiritual growth. A must-read for pastors, lay leaders, and anyone wanting to help their church cultivate tangible spiritual growth, *Rise* offers research-based evidence that shows all churches fall into one of eight "archetypes." *Rise* will help leaders: Identify which archetype fits their church. Create spiritual-growth strategies based on real-life case studies. Implement sound strategies with insights on what works best for churches in the same archetype. God calls the church to vibrant relationship and kingdom work. If you desire to see your church answer His call with renewed passion, join with thousands of other churches and *Rise*.

Some churches grow rapidly, only to hit a ceiling. Other churches have experienced declining or static attendance--many of them for decades. Frustrated pastors and church leaders want growth methods that work, but without adding to pastoral fatigue. *How to Break Growth Barriers* argues that growth comes when effective leadership and lay-empowerment skills work hand in hand. This requires a shift of focus from the shepherd as the primary caregiver to shepherd as developer and coach of many caregivers. The authors show pastors how to communicate a

## Online Library Church Growth Strategies That Work

vision for the future and then how to lead the congregation into the paradigms necessary for potentially limitless growth. The strategies found in this book are not only tried and true, and taken from a biblical perspective of a "harvest" vision. They're also newly updated to reflect our changing culture, including helpful charts and checklists for self-evaluation.

Your organization - business, church, or nonprofit - will experience unprecedented growth when you close the gap between these two game-changing questions: What are we known for? What do we want to be known for? In *Know What You're FOR*, entrepreneur and thought leader Jeff Henderson makes it clear that if we want to change the world with our products or our mission, then we must shift the focus of our messaging and marketing. Rather than self-promoting, we must transform our organizations to be people-centric. This sounds like a no-brainer, but looking closer shows just how little this is true and how impactful the change would be if it were. Whether you're a business leader, a change advocate, or a movement maker, *Know What You're FOR* will help you - and your organization - thrive. It's what happens when you create an organization focused on who it is FOR. This is the future. Thriving organizations will be more concerned with becoming raving fans of their customers than they are trying to convince customers to become raving fans of the organization. This isn't theory. Jeff Henderson has experienced it. Working with companies like Chick-fil-A and the Atlanta Braves, then serving as a pastor for 15 years at one of the country's largest and most influential churches, North Point, Jeff knows what success looks like for healthy organizations and healthy lives. With fascinating stories from a host of entrepreneurs and Jeff's remarkable career, *Know What You're FOR* equips you with a simple strategy and the tools for extraordinary growth. You'll discover how to: Work FOR your current and future customers with a new, effective method Be FOR your team and help your people reach full potential Create a ripple impact by being FOR your community Live and work your best by caring FOR yourself In a hypercritical, cynical world, one that is often known for what it's against, let's be a group of people known for who and what we're FOR. It's a powerful strategy for business. But more importantly, it is a revolutionary way to live.
