Culture *The Poetics of Daily Life*, Francisco Cruces examines intimacy and meaning-making in metropolitan residents' daily lives. An ethnography based on rich micro-stories, Cruces situates life poetics amongst other metropolitan processes in three major cities—Madrid, Montevideo, and Mexico City—to reveal the complex meanings around modern urbanity.

“It is simply too much” is a common complaint of the modern age. This book looks at how people and institutions deal with overflow – of information, consumption or choices. The

Culture essays explore the ways in which notions of overflow - framed in terms of excess and abundance or their implicit opposites, scarcity and dearth - crop up in a number of contexts such as sociological and economic theory, management consulting, consumer studies, and the politics of everyday life. Chapters range from studies of overload at home, at work or in the world of cyber information; strategies of coping with overflow in institutions such as news agencies; and historical comparisons. When, where, how and for whom is overflow a problem or a blessing?

The emotional, social, and economic challenges faced by migrants and their families are interconnected through complex decisions related to mobility. Tangled Mobilities examines the different crisscrossing and intersecting mobilities in the lives of Asian migrants, their family members across Asia and Europe, and the social spaces connecting these regions. In exploring how the migratory process unfolds in different stages of migrants' lives, the chapters in this collected volume broaden perspectives on mobility, offering insight

The study of everyday life is fundamental to our understanding of modern society. This agenda-setting book provides a coherent, interdisciplinary way to engage with everyday activities and environments. Arguing for an innovative, ethnographic approach, it uses detailed examples, based in real world and digital research, to bring its theories to life. The book focuses on the sensory, embodied, mobile and mediated elements of practice and place as a route to

Understanding wider issues. By doing so, it convincingly outlines a robust theoretical and methodological approach to understanding contemporary everyday life and activism. A fresh, timely book, this is an excellent resource for students and researchers of everyday life, activism and sustainability across the social sciences.

Clearly structured in five thematic sections this fascinating and readable book, from best-selling author David Morley, presents a set of interlinked essays which discuss and examine the key debates in the fields of

media and cultural studies.

Challenges and Solutions in Ethnographic Research: Ethnography with a Twist seeks to rethink ethnography 'outside the box' of its previous tradition and to develop ethnographic methods by critically discussing the process, ethics, impact and knowledge production in ethnographic research. This interdisciplinary edited volume argues for a 'twist' that supports openness, courage, and creativity to develop and test innovative and unconventional ways of thinking and doing ethnography. 'Ethnography with a twist' means

Culture both an intentional aim to conduct ethnographic research with novel approaches and methods but also sensitivity to recognize and creativity to utilize different kinds of 'twist moments' that ethnographic research may create for the researcher. This edited volume critically evaluates new and old methodological tools and their ability to engage with questions of power difference. It proposes new collaborative methods that allow for co-production and co-creation of research material as well as shared conceptual work and wider distribution of knowledge. The book will be of use to ethnographers in humanities

To many, the situation for black Americans in the world today seems hopeless. In *Dirty Laundry*, author Lavelle presents his personal view of race relations in the world and how these relations have affected both the black and white culture. Through a series of essays, Lavelle describes the current state of black culture, examines the elements that have caused the erosion of the black community, and describes what the future holds for black Americans. *Dirty Laundry* presents Lavelle's thoughts on array of topics relevant to the black community: Race
