Amazon.com: Customer reviews: *Father Christmas Goes on Holiday*

Father Christmas is the traditional English name for the personification of Christmas. Although now known as a Christmas gift-bringer, and normally considered to be synonymous with American culture's Santa Claus which is now known worldwide, he was originally part of an unrelated and much older English folkloric tradition.

Father Christmas - Wikipedia

No-one needs a holiday more than Father Christmas, but where can such a well-known and easily recognized person go? Father Christmas sets off in search of his ideal holiday spot! France, Scotland and Las Vegas are his chosen destinations, but as Father Christmas discovers - there's nowhere like home. Publisher: Penguin Books Ltd

Father Christmas Goes on Holiday by Raymond Briggs ...

This is a joke Briggs perpetuates as Father Christmas begins in France what develops into a holiday tour. With Father Christmas going about his traditional business in *Father Christmas*, it wasn't as obvious how easily he can be connected to characters seen in other Briggs books. He's personally unconventional to the point of quirkiness, yet a traditionalist who prefers things the way they always been, will have a moan, but isn't one to offend, and his loveable side is there for all to see.

"BLOOMING CHRISTMAS, HERE AGAIN!" Raymond Briggs's hilarious comic strip picture book has amused generations of children, telling the story of grumpy Father Christmas making his rounds on the busiest night of the year. Now reissued in a small gift edition, perfect for slipping into a Christmas stocking . . .

In the first of two stories a reluctant Father Christmas makes his annual deliveries. The second concerns his holidays in France, Scotland and Las Vegas. Comic-style pictures and balloons.

Join Topsy and Tim on a new adventure as they meet Father Christmas in this Ladybird festive ebook. Topsy and Tim are just like you! Their adventures are the perfect stories to reassure young children as they go through similar experiences themselves. LET THE BATTLE FOR CHRISTMAS BEGIN It isn't always easy, growing up as a human in Elfhelm, even if your adoptive parents are the newly married Father Christmas and Mary Christmas. For one thing, Elf School can be annoying when you have to sing Christmas songs everyday - even in July - and when you fail all your toy-making tests. Also it can get very, very cold. But when the jealous Easter Bunny and his rabbit army launch an attack to stop Christmas, it's up to Amelia, her new family and the elves to keep Christmas alive. Before it's too late . . .

Every December an envelope bearing a stamp from the North Pole would arrive for J.R.R. Tolkien's children. Inside would be a letter in a strange, spidery handwriting and a beautiful colored drawing or painting. The letters were from Father Christmas. They told wonderful tales of life at the North Pole: how the reindeer got loose and scattered presents all over the place; how the accident-prone North Polar Bear climbed the North Pole and fell through the roof of Father Christmas's house into the dining room; how he broke the Moon into four pieces and made the Man in it fall into the back garden; how there were wars with the troublesome horde of goblins who lived in the caves beneath the house, and many more. No reader, young or old, can fail to be charmed by Tolkien's inventiveness in this classic holiday treat.

Offering a fresh twist on Kris Kringle, a clever yet heartfelt book that tells the story of a black Santa, his white husband, and their life in the North Pole. Everyone knows that Santa Claus is jolly, but in *Santa's Husband*, this cherished symbol of the holiday season is also black and gay, and married to an equally cheery man. In this witty and sweet illustrated Christmas tale, humor writer Daniel Kibblesmith introduces us to Mr. and Mr. Claus, and gives us a glimpse of their lives together. We see the Clauses sitting by the fire at their cozy North Pole home, vacationing at the beach, having an occasional disagreement, celebrating their wedding day, and comforting each other when some loudmouth people on television angrily dispute Santa's appearance and lifestyle. In the weeks before Christmas, Santa's husband helps with all the pre-Christmas work, from double-checking lists, to feeding the reindeer (organic gluten-free grains, of course), to negotiating labor disputes with the restive workshop elves. At the height of toy-making season, he even fills in for his busy hubby at the mall to ensure every child can meet the Big Guy in the red suit, and give him their wish list. As this charming book reminds us, Santa Claus can come in all shapes and colors and sizes—just like the children and families he visits all over the world each Christmas eve. Featuring beautiful watercolor pictures drawn by artist AP Quach, *Santa's Husband* is a delightful gift for readers of all ages.

Father Christmas visits France, Scotland, and Las Vegas while on his annual vacation.

Read Book Father Christmas Goes On Holiday Picture Puffin

As uplifting as the tale of Scrooge itself, this is the story of how Charles Dickens revived the signal holiday of the Western world—now a major motion picture. Just before Christmas in 1843, a debt-ridden and dispirited Charles Dickens wrote a small book he hoped would keep his creditors at bay. His publisher turned it down, so Dickens used what little money he had to put out *A Christmas Carol* himself. He worried it might be the end of his career as a novelist. The book immediately caused a sensation. And it breathed new life into a holiday that had fallen into disfavor, undermined by lingering Puritanism and the cold modernity of the Industrial Revolution. It was a harsh and dreary age, in desperate need of spiritual renewal, ready to embrace a book that ended with blessings for one and all. With warmth, wit, and an infusion of Christmas cheer, Les Standiford whisks us back to Victorian England, its most beloved storyteller, and the birth of the Christmas we know best. *The Man Who Invented Christmas* is a rich and satisfying read for Scrooges and sentimentalists alike.

Santa has it so easy: a workforce of elves to make the presents, a team of reindeer to deliver them, even a hi-spec factory! The Easter Bunny has to make and wrap all the chocolate eggs in his garden shed, and deliver them himself on foot. No wonder you often find them thrown all over your garden! Now Bunny has had enough - he hatches a genius, chocolately plan with unexpected results!
