LIFETIME PHYSICAL FITNESS AND WELLNESS was the first book in the field to cover both fitness and wellness in the same text. Now in its Eighth Edition, this proven text--with its uniquely strong emphasis on using behavior modification techniques to achieve healthy lifestyle habits--has been praised across the country for its ability to help students realize their highest potentials for health, fitness, and well-being. Each chapter guides students in developing a personalized physical fitness and wellness program by allowing them to chart and update their progress as they meet their goals. The Hoegers integrate activities throughout each chapter (rather than placing them at the ends of chapters) so students can complete each fitness and wellness experience as the concepts behind those experiences are introduced. Plus, four powerful resources--the PROFILE PLUS 2005 CD-ROM, PERSONAL DAILY LOG, INFOTRAC COLLEGE EDITION, and the HEALTH/FITNESS AND WELLNESS INTERNET EXPLORER--are all automatically packaged with this edition! PROFILE PLUS gives students unprecedented flexibility in making lifestyle changes by providing additional assessments, a behavior change plan, nutrition analysis tools, and exercise logs and prescriptions. It also includes interactive quizzing to help them master and remember key concepts. A PERSONAL DAILY LOG allows students to track their progress in achieving their personal goals. Included are tips for achieving test success, a variety of records and tables to track body composition and body mass index, exercise and strength training record forms, and more! The HEALTH/FITNESS AND WELLNESS INTERNET EXPLORER and four months of access to INFOTRAC COLLEGE EDITION provide students with additional resources for obtaining information about key topics. This all inclusive package gives students a wealth of tools to help them explore, experience, and better understand the benefits of a healthy lifestyle.

LIFETIME PHYSICAL FITNESS AND WELLNESS was the first book in the field to cover both fitness and wellness in the same text. Now in its Ninth Edition, this proven text -- with its uniquely strong emphasis on using behavior modification techniques to achieve healthy lifestyle habits -- has been praised across the country for its ability to help students realize their highest potentials for health, fitness, and well-being. Each chapter guides students in developing a personalized fitness and wellness program by allowing them to chart and update their progress as they meet their goals. The Hoegers integrate activities throughout each chapter (instead of at the end of chapters) so students can complete each fitness and wellness experience as the concepts are introduced. It doesn't stop there! Three powerful resources -- the PROFILE PLUS 2007 CD-ROM, PERSONAL DAILY LOG, and INFOTRAC COLLEGE EDITION -- are all automatically packaged with this edition of the Hoegers' text! PROFILE PLUS gives students unprecedented flexibility in making lifestyle changes by providing additional assessments, a behavior change plan, nutrition analysis tools, and exercise logs and prescriptions. It also includes interactive quizzes to help students master and remember the concepts presented in the text. A PERSONAL DAILY LOG allows students to track their progress toward goals they may set for themselves. Included also are suggestions for achieving test success, a variety of records and tables to track fitness activities such as body composition, body mass index, aerobic and strength training logs, and

much more! INFOTRAC COLLEGE EDITION provides students with additional resources for obtaining information about topics discussed in the course. This all inclusive package gives students a wealth of tools to help them explore, experience, and better understand the benefits of a healthy lifestyle. Concepts of Physical Fitness & Wellness: A Comprehensive Lifestyle Approach provides readers with self-management skills necessary to adopt a healthy lifestyle. These skills will make a positive difference in one's health, fitness, and wellness through the use of activity labs and logs.

FITNESS AND WELLNESS, Seventh Edition is a colorful, concise, less expensive option for instructors who value the powerful instruction that is the hallmark of the Hoegers' fitness and wellness texts. If you want the beauty found in the more comprehensive fitness and wellness text, the large ancillary package (see the Ancillaries section for a full listing), but are concerned about price and/or do not have enough time to get through the material, then this is your text! FITNESS AND WELLNESS, packaged with the Profile Plus 2007 CD-ROM, concentrates on health-related physical fitness components, with beneficial information about wellness. Inside, you'll also find discussions on motivation and behavior modification with an emphasis on teaching individuals how to take control of their personal fitness, health and lifestyle habits so they can make a constant and deliberate effort to stay healthy and realize their highest potential for well-being. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Health, Wellness, and Physical Fitness is designed to teach students everything they need to know to make informed decisions for a lifetime of wellness. Aligned to Common Core State Standards, the activities in this workbook teach students about heredity, exercise, and nutrition, as well as tobacco, illegal drugs, mental health, and becoming a wise consumer. Self-assessments, real-world situations, games, puzzles, and quizzes reinforce these important lessons while also building strong, independent learners.

This concise, yet comprehensive text discusses the health-related physical fitness components you need to cover while also providing beneficial information about wellness. Inside, you'll find discussion of motivation and behavior modification throughout the book, as well as an outstanding nutrition chapter and a chapter on healthy lifestyles that contains information on cancer risk management, cardiovascular disease, and stress management.

This textbook presents guidelines for achieving physical fitness, eating healthy, managing weight and stress, reducing cardiovascular and cancer risks, and preventing sexually transmitted diseases. The 36 labs are primarily worksheets for recording the student's personal health habits. The eighth edition updates national disease statistics. The CD-
