10 Easy Jazz Duets, written by John La Porta with Greg Nielsen, contains jazz duets in a variety of styles. This unique book is compatible for performance with all instruments and is published with a CD of hip rhythm section backgrounds. In addition, the duets can be performed with a live rhythm section using the chord symbols provided in the C and Bass Clef editions. Not only is the book great for individual jazz practice for improvisation, articulation and phrasing, but it provides interaction with another musician or group with no limitation on the instrumentation. The duets are also very useful to the educator who may find it difficult to get a full band together.

Jazz Guitar Duets takes you on an exploration of the entire range of the fretboard through 10 duets over standard jazz progressions. Each duet is written in standard notation and is accompanied by audio recordings and in-depth analysis. Read the etudes together with a friend to strengthen your sight-reading skills and develop your ability to read one part against a contrasting part. The accompanying audio features tracks of the authors playing each duet together, along with additional tracks that isolate each part. Play along with one track to learn the nuances of jazz phrasing and articulation, or play along with the other to create a virtual duet. Study the lines and read the analysis to develop stylistically authentic jazz vocabulary as well as increase your awareness of two-part counterpoint in the context of jazz harmony. Includes access to online audio

(Instructional). Exercises and Etudes for the Jazz Instrumentalist is a collection of original pieces by the master trombonist/composer J.J. Johnson. Designed as study material and playable by any instrument, these pieces run the gamut of the jazz experience, featuring common and uncommon time signatures and keys, and styles from ballads to funk. They are progressively graded so that both beginners and professionals will be challenged by the demands of this wonderful music.

Etudes, studies and duets designed to enhance music reading skills, specifically written for the jazz player. Includes an explanation of musical symbols and helpful suggestions to make sight-reading easy.

(Berklee Guide). Learn to play with jazz phrasing and articulation. These 27 duets are in jazz and jazz-influenced styles such as swing, bebop, funk, samba, and others. They are appropriate for performance by any melodic instruments. The duets feature independent contrapuntal lines, and practicing them will give you intimate insight into how these constructs sound and can be used to create a wide variety of colors. You will improve your ear, sense of timing, phrasing, and your facility in bringing theoretical principles into musical expression. You will learn to use: jazz staccato and legato articulations " scales, modes, harmonies and other structures " various meters and ways of interpreting them " phrasing within and between measures " swing feel " and more
