May issues for 1952-53 include a directory and buying guide which is issued separately beginning in 1954.

The latest edition of this popular guide includes over 10,000 alphabetical listings, current values, hundreds of photos, a handy Index, and a directory of advisors.

Rees shows that how we obtain and preserve perishable food is related to our changing relationship with the natural world.

A brand new collection of state-of-the-art guides to business innovation and transformation 4 authoritative books help you infuse innovation throughout everything your business does: not just once, but constantly! This extraordinary collection shows how to make breakthrough, high-profit innovation happen – again and again. Start with the recently updated edition of *Making Innovation Work*: a formal innovation process proven to help ordinary managers drive top and bottom line growth from innovation. This guidebook draws on unsurpassed innovation consulting experience, and the most thorough review of innovation research ever performed. It shows what works, what doesn't, and how to use management tools and metrics to dramatically increase the payoff of innovation investments. You'll learn to define the right strategy for effective innovation; structure organizations, management systems, and incentives for innovation, and much more. Next, *Innovation: Fast Track to Success* helps you get six key things right about innovation: planning, pipeline, process, platform, people, and performance. You'll learn how to deeply integrate innovation throughout team structure, so you can move from buzzwords to achievement. Then, in *Disrupt: Think the Unthinkable to Spark Transformation in Your Business*, frog design's Luke Williams shows how to start generating (and executing on) a steady stream of disruptive strategies and unexpected solutions. Williams combines the fluid creativity of "disruptive thinking" with the analytical rigor that's indispensable to business success. The result: a simple yet complete five-stage process for imagining a powerful market disruption, and transforming it into reality that can catch an entire industry by surprise. Finally, in the highly-anticipated Second Edition of *Creating Breakthrough Products: Revealing the Secrets that Drive Global Innovation*, Jonathan Cagan and Craig Vogel offer an indispensable roadmap for uncovering new opportunities, identifying what customers really value today,

and building products and services that redefine (or create entirely new) markets. This edition contains brand-new chapters on service design and global innovation, new insights and best practices, and new case studies ranging from Navistar's latest long-haul truck to P&G's reinvention of Herbal Essence. With even more visual maps and illustrations, it's even more intuitive, accessible, and valuable! From world-renowned business innovation and transformation experts Tony Davila, Marc Epstein, Robert Shelton, Andy Bruce, David Birchall, Luke Williams, Jonathan Cagan, and Craig Vogel
