~~The grading system for Key stage 2 SATs is based on scaled scores. As all Key stage 2 SATs are marked externally, these raw scores are converted to scaled scores. A scaled score of 100 shows a pupil has achieved the expected standard of the paper. A pupil with a scaled score of 99 would not have met the expected standard of the test.~~

~~The judgements available at Key Stage 2 differ for the subjects because of the different roles played. Writing has most available judgements as it is part of the statutory accountability judgement. Reading and Mathematics have fewer judgements as the statutory focus is on the test scores. Science has only one available judgement, as at Key Stage 1.~~

~~The activities in this book are designed both to help children to learn and to understand math concepts, and also to prepare them for taking SATS papers at KS2. There is plenty of research evidence to suggest that children are helped in their understanding of math problems if teachers focus on common misconceptions, and if children are given opportunities for discussion and explanation of their own understanding. Children can also feel stigmatized by being made to focus on their own errors. Mike Spooner has developed activities that present already completed work which children then assess, correct and discuss - in this way they can analyze mistakes without damage to their own self-esteem. The activities are presented in the same format as the SATS papers, to give children practice in coping with that format. The book also contains writing frames that children can use to structure their discussions of math problems.~~

~~This book contains a range of practice questions for every topic in Key Stage Two Maths, with fun cartoons to help keep kids interested. Complete answers are included at the back.~~

~~Level: KS2 Subject: Maths Suitable for 2020 SATs Boost children's test-taking confidence by using the realistic SATs-style questions included in this Key Stage 2 Maths SATs Question Book by Collins. Specifically designed to get children ready for the Maths Reasoning SAT (Papers 2 and 3), this book covers all the content and skills that children will be tested on. Regular progress tests are included throughout to check understanding every step of the way. Answers and marking schemes are also provided to ensure children are prepared for success ahead of their SATs. For extra SATs practice, try our KS2 Arithmetic SATs Question Book (9780008201623).~~

~~This is a home study series designed to teach children core skills that will build confidence at school. Each book supports the literacy or numeracy framework for the relevant school year. The English titles cover a wide range of topics ranging from comprehension to story writing, and the maths titles cover topics ranging from algebra to fractions. The books magical wizard theme should entertain as well as educate. Motivation is encouraged by giving gold stars, which can be added to a certificate of excellence at the back of each book. Parental guidance on how to make the best use of the book is included.~~
