This year our flagship title turns the big three-oh but, unlike the rest of us, it keeps getting better looking with age. We've spiffed up the outside with a shiny foil cover and reupholstered the juggling cubes in plush red velour. It's the classic that made all the others possible.

A how-to book of sewing for the complete novice, as well as the already-interested, featuring seven great projects and not one sewing machine. All the patterns and eight panels of felt are bound right into the book, and the pouch in front is filled with fabric, thread, needles, pins and a few other useful supplies. Each project has been designed to tolerate big stitches and still rate high on the "look-what-I Made" scale of satisfaction.

After I rescued these jerks from a plane crash, you'd think they'd be nicer to me. I die, like all the time. My track record of hilarious, freak accidental deaths would be impressive if it weren't so embarrassing. And when I come back, I'm naked. Every. Dang. Time. After my plane was sabotaged and crashed into the jungle, I rescued five male survivors from the wreckage. I could have let them die, but no, I decided to pull their stupid carcasses from the wreckage. I'm immortal, not a monster. Yes, they're hot, now is not the time to do something about that. The five sexy jaguar shifters are on a mission to locate someone, a rare phoenix shifter. Phoenix, the legendary creature, reborn every time it dies. Wait?? Could they be looking for me? It doesn't matter since they walked away and left me to die in the Amazon rainforest. A place full of interesting new ways for a klutz like me to die. Surviving the jungle is harsh, but it's nothing compared to how they have treated me. And the worst part? It turns out these bullies are my fated mates. Yep, I must be cursed. I can't wait to escape the jungle and leave these guys behind, but another part of me is begging to love them? Was the Amazon always this hot?" But Did You Die?" is a comedy filled, bully (only in book one), paranormal romance series that includes jaguar shifters, a mysterious underground society, fated mates, and an incredibly
