Types of Tort Law Damages. Louisiana law provides for two types of damages, compensatory damages and punitive damages. Compensatory damages attempt to place the injured party in the position he would have been in had the accident not occurred. Punitive damages are meant to punish the person responsible for the accident and to deter his conduct.

Louisiana Law of Torts: A Precis: Maraist, Frank: Amazon ...

Louisiana law, however, employs a doctrine known as " comparative fault " in negligence cases. This means that liability will be spread to everyone who contributed to accident, in equal proportion to their proven fault. For example, let ' s say you didn ' t use your blinker or look over your shoulder when you were changing lanes.

Louisiana Negligence Laws - FindLaw

Law in the state of Louisiana is based on a more diverse set of sources than the laws of the other 49 states of the United States. Private law—that is, substantive law between private sector parties, principally contracts and torts—has a civil law character, based on French and Spanish codes and ultimately Roman law, with some common law influences. Louisiana's criminal law largely rests on American common law. Louisiana's administrative law is generally similar to the administrative law ...

Law of Louisiana - Wikipedia

Tort law involves claims in an action seeking to obtain a private civil remedy, typically money damages. Tort claims may be compared to criminal law, which deals with criminal wrongs that are punishable by the state. A wrongful act, such as an assault and battery, may result in both a civil lawsuit and a criminal prosecution, although in the U.S., the civil and criminal legal systems are separate.

Louisiana Law of Torts is designed to provide a brief overview of tort law generally, and the Louisiana treatment of the most common areas of tort law. It is an essential and original resource for Louisiana law students and the legal profession in general. In addition to the overview materials, this Precis also: 

- Provides a concise history of Louisiana tort law and its unique background of French, English, Spanish and American sources.
- Compares Louisiana tort law with the general American common law, emphasizing some differences (such as parent-child vicarious liability, recovery of mental anguish and consortium damages, liability of providers of alcohol, punitive damages, comparative negligence and the residue of the concept of assumption of risk and also
- Compares the concept of "proximate cause" or "legal cause" with Louisiana's "duty/risk" solution of the same problems.
- Discusses defamation, right of privacy and the unique Louisiana concept of the insurance direct action statute; and
- Includes comprehensive treatment of special claims against providers of services (including malpractice) and makers and sellers of goods.

Thoroughly updated, Louisiana Tort Law is the first book to treat comprehensively tort theory and practice in Louisiana. Cited over 140 times in Louisiana case law and law reviews over the last 4 years, the publication provides discussion and analysis of all significant post-1996 jurisprudence on Louisiana's civil justice reform. Covering all major areas of tort theory and practice in the state, the authors include detailed coverage of intentional torts, negligence, strict liability, absolute liability, and defenses. This eBook features links to Lexis Advance for further legal research options.

Tort Law: The American and Louisiana Perspectives, Second Edition has as its primary objective a study of tort law in the United States and Louisiana. It differs from most other torts casebooks, however, in that it has a secondary objective of providing an exercise in comparative law. In the United States, we often overlook the fact that the common law system that prevails in our nation is not the only legal system in the world. Much of the world applies a civil law approach in which a civil code has a more prominent role than case law. In a world in which trade and economics, politics, and law cross national borders, it has become increasingly important to be aware of and conversant in other nations' legal systems. Louisiana, the only state in the United States that can be described as a mixed jurisdiction, using both civil law and common law, provides an excellent model for examining and comparing and contrasting civil law and common law approaches to various legal issues. This book invites the reader to both study tort law and consider the differences and similarities between the common law states and a state that has a civil code and views the role of the courts and the legislature somewhat differently.

Tort Law: The American and Louisiana Perspectives, Second Revised Edition (includes 2015 cumulative supplement) has as its primary objective a study of tort law in the United States and Louisiana. It differs from most other torts casebooks, however, in that it has a secondary objective of providing an exercise in comparative law. In the United States, we often overlook the fact that the common law system that prevails in our nation is not the only legal system in the world.
