From the internationally bestselling author of *Love Her Wild* comes *The Dark Between Stars*, a new illustrated collection of heartfelt, whimsical, and romantic poems from Instagram poetry sensation, Atticus. Atticus, has captured the hearts and minds of nearly 700k followers (including stars like Karlie Kloss, Emma Roberts, and Alicia Keys). In his second collection of poetry, *The Dark Between Stars*, he turns his attention to the dualities of our lived experiences—the inescapable connections between our highest highs and lowest lows. He captures the infectious energy of starting a relationship, the tumultuous realities of commitment, and the agonizing nostalgia of being alone again. While grappling with the question of how to live with purpose and find meaning in the journey, these poems offer both honest explorations of loneliness and our search for connection, as well as light-hearted, humorous observations. As Atticus writes poignantly about dancing, Paris, jazz clubs, sunsets, sharing a bottle of wine on the river, rainy days, creating, and destroying, he illustrates that we need moments of both beauty and pain—the darkness and the stars—to fully appreciate all that life and love have to offer.

Lyanda Lynn Haupt's sublime tribute to the crow and an invitation to engage with the wildlife in our midst. There are more crows now than ever. Their abundance is both an indicator of ecological imbalance and a generous opportunity to connect with the animal world. *Crow Planet* reminds us that we do not need to head to faraway places to encounter "nature." Rather, even in the suburbs and cities where we live we are surrounded by wild life such as crows, and through observing them we can enhance our appreciation of the world's natural order. *Crow Planet* richly weaves Haupt's own "crow stories" as well as scientific and scholarly research and the history and mythology of crows, culminating in a book that is sure to make readers see the world around them in a very different way.

From @wilderpoetry comes a heavily expanded revised edition of *Nocturnal*, a collection of poetry and beautifully illustrated black-and-white imagery inspired by darkened days and sleepless nights. Poetry meets presentation in each of the four sections ("Dusk," "Northern Lights," "Howl," "Lucid Dreams,"), which trace the author's continuing journey of self-discovery while illuminating a path for others along the way. Ink stains, landscapes, dreamlike animals, blackened pages, and textured spreads create a multifaceted reading experience. And true to the moniker, these poems are linked by a motif of "the wild." Celebrating the art of self-love poetry with both word and image, *Nocturnal* will leave readers comforted, curious, and inspired to explore the world around them.

The epic made simple. The miracle in the mundane. One day, while browsing an antique store in Helena, Montana, photographer Tyler Knott Gregson stumbled upon a vintage Remington typewriter for sale. Standing up and using a page from a broken book he was buying for \$2, he typed a poem without thinking, without planning, and without the ability to revise anything. He fell in love. Three years and almost one thousand poems later, Tyler is now known as the creator of the Typewriter Series: a striking collection of poems typed onto found scraps of paper or created via blackout method. *Chasers of the Light* features some of his most insightful and beautifully worded pieces of work-poems that illuminate grand gestures and small glimpses, poems that celebrate the beauty of a life spent chasing the light.

Hidden inside every woman's heart lies a moon: a unique voice of love. An untamed beauty. The light of the moon's grace is revealed here through the magic of poetry. From Alexandra Vasilu, the best-selling author of *Blooming and Healing Words*, comes a romantic and soulful poetry collection that explores the wisdom found in personal reflection, the strength of daring to hope, the beauty of happiness, and the power of unconditional love. *Be My Moon* is for those dreamy souls who love the moon and always strive for happiness in their lives. Open your heart and fall in love with these entrancing poems. You will soon find yourself as beautiful as the Queen of Nights herself, reigning gracefully in the sky.
