Marketing a small, independently owned lodging business can be difficult. *Marketing Essentials for Independent Lodgings* outlines how to get a business 's name out there, attract consumers, and navigate the dicey world of social media and an online presence. Descriptions of traveler demographics, how to get the word out about a property, and how to make a property unique are all talked about at length. The goal of this book is to help small lodgings flourish, and it does so by including lists of actions that can be taken this week, this month, or this year to help positively impact the bottom line. Also included is a specific marketing outline that can be adapted to an individual business, giving business owners a timeline and plan they can follow.

Do your students need a fresh and concise introduction to marketing? *Essentials of Marketing* has arrived! This is the must have textbook for students looking to shine and excel in their marketing studies and future careers. Packed full of exciting and meaningful cases from organizations such as IKEA, FourSquare, Groupon and WOMAD,

students are encouraged to think critically and consider how they would tackle the real marketing challenges and issues encountered by professionals on a daily basis. Covering the latest trends and developments in marketing, including social media and mobile marketing, students are given the opportunity to go beyond classical marketing theories and explore the latest cutting edge perspectives. Lecturers and students are provided with truly innovative online resources which are carefully integrated with the textbook.

Essentials of Marketing Research: Putting Research into Practice, an exciting new practical guide by Kenneth E. Clow and Karen E. James offers a hands-on, applied approach to developing the fundamental data analysis skills necessary for making better management decisions using marketing research results. Each chapter opens by describing an actual research study related to the chapter content, with rich examples of contemporary research practices skillfully drawn from interviews with marketing research professionals and published practitioner studies. Clow and James explore the latest research techniques, including social media and other online methodologies, and they examine current statistical methods of analyzing data. With emphasis on how to interpret marketing research results and how to use those findings to make effective management decisions, the authors offer a unique learning-by-doing approach to understanding data analysis, interpreting data, and applying results to decision-making.

Presents essential information on marketing strategies, practical tactics, and career-enhancing techniques.
