Take this pocket reference to clinicals on the job for quick access to nursing skills! Based on Perry & Potter's market-leading *Clinical Nursing Skills & Techniques*, 7th Edition, Mosby's *Pocket Guide to Nursing Skills & Procedures*, 7th Edition presents 83 key skills in an easy-to-use A-to-Z format. Step-by-step instructions include full-color photos plus

Access Free Mosby S Nursing Video Skills

rationales explaining why to use specific techniques. With the latest in evidence-based practice, this book helps you perform basic nursing skills safely and effectively. Also available on Skyscape for use on any hand-held device! A clear, two-column format presents skills with rationales for each step explaining why to use specific techniques. A gloving logo identifies skills in which clean gloves should be worn or gloves should be changed in order to minimize the risk of infection. Safety alerts highlight important information for patient safety and effective performance of skills. Reporting and recording guidelines include a bulleted list of what should be documented in the patient records. Unexpected outcomes and related interventions help you troubleshoot potential problems and take appropriate actions to address them.

Alphabetical organization of skills makes it easy to find information quickly. A convenient pocket size and spiral binding allow the book to fit easily into your coat pocket and to stay open on the page you want. New full-color design and illustrations help you follow step-by-step directions more easily. Completely updated content is based on Perry & Potter's market-leading text, *Clinical Nursing Skills & Techniques*, 7th Edition, for the latest in evidence-based care.

Based on the trusted Potter & Perry textbooks, these unique cards are a must for student nurses in the skills lab or in their first clinicals. The essential elements of 75 key nursing skills are presented in a clear and concise format that's perfect for

Access Free Mosby S Nursing Video Skills

a quick, last minute review before actually performing the skills or before exams. Concise, consistent format for each skill features an overview, supplies list, Nurse Alerts, and streamlined step-by-step actions. Addresses the 75 skills that students are likely to be most anxious about performing for the first time. Gloving logo visually reminds students when clean gloves are needed. Nurse Alerts highlight important information for patient safety and effective skill performance. Quick Reference for Standard Protocol card summarizes essential steps required before, during, and after every nursing skill. Overview of CDC Hand Hygiene Guidelines reminds students of the how and when to perform hand hygiene at all levels of client interaction. Full-color design and over 100 vibrant illustrations bring concepts to life. Sturdy,

Access Free Mosby S Nursing Video Skills

slick cards are durable enough to stand up to repeated use, plus the convenient storage box keeps cards safe when not in use. A handy vinyl sleeve protects two cards for easy reference in the clinical setting. Pre-punched holes in cards make storage on a ring quick and easy.

Designed for shorter programs of 85 hours or fewer, Mosby's Essentials for Nursing Assistants, 6th Edition provides coverage of the concepts and skills that are essential for becoming a nursing assistant. Known for its reader-friendly approach, and bright visual presentation, the text covers OBRA-mandated content including step-by-step procedures for 76 skills covered on the latest NATSEP certification exams. With focus on quality of life in the patient/person and

Access Free Mosby S Nursing Video Skills

self-pride in the nursing assistant this concise text emphasizes the importance of treating residents with respect while providing safe, competent, and efficient care. New features include Focus on Math to help you master the formulas and calculations necessary for safe and effective caregiving and Focus on Pride: Application, which directs you to focus on residents' emotional and mental needs during specific procedures. Over 75 procedures boxes are divided into step-by-step format with instructions for performing each skill, including Quality of Life courtesies, Pre-procedure, Procedure, and Post-Procedure sections to make learning critical skills easier. Concise coverage of nursing assistant content written at a 7th grade reading level that's ideal and easy to use in classes with shorter hour requirements.

Access Free Mosby S Nursing Video Skills

Promoting Safety and Comfort boxes highlight important considerations for providing safe and effective care while promoting patient comfort. Focus on PRIDE boxes highlight personal and professional responsibility, rights and respect, independence and social interaction, delegation and teamwork, and ethics and laws, encouraging you to promote pride in the person, family, and themselves. Caring about Culture boxes contain information to help you learn about the various practices of other cultures. Focus on Practice boxes at the end of each chapter present short case scenarios with questions so students can consider practical applications for providing patient care. Focus on Communication boxes suggest what to say and questions to ask when interacting with patients, residents, visitors, and the nursing team to

Access Free Mosby S Nursing Video Skills

ensure clear communication in practice. Delegation Guidelines identify the nursing assistant's specific responsibilities in accepting commonly delegated tasks. NEW! Getting a Job chapter describes the professional skills you need for seeking and landing a job after certification. NEW! Focus on Math feature increases your critical thinking and calculation skills to assist you in performing a variety of procedures. NEW! Urinary Catheters chapter focuses on safety concerns surrounding perineal care. NEW! Content on electronic communication covers safety rules and wrongful use of electronic communication methods including cell phones and social media. NEW! Focus on Pride: Application examines residents' emotional and mental wellbeing during care for specific issues.

With its new condensed format, completely reorganized and updated content, respected author team, and new lower price, Perry and Potter's Nursing Interventions and Clinical Skills, 5th Edition is your all-around best choice for learning the skills and techniques you'll use every day in practice. Covering 181 skills, this highly accessible manual conveniently groups all related skills together, so you can find information quickly. The companion Evolve website features 50 video clips, skills checklists, and much more, ensuring your successful mastery of each skill. Contains 180 skills and techniques (basic, intermediate, and advanced) you'll use every day in practice. Presents every skill in a logical, consistent format: Assessment, Planning, Implementation,

Access Free Mosby S Nursing Video Skills

Evaluation -- improving the quality of patient care. Pairs each step with an appropriate rationale, helping you understand and remember why specific techniques are used. Features Safety Alerts that highlight unusual risks inherent in the next step of the skill, helping you plan ahead at each step of nursing care. Uses a Glove icon as a reminder to don clean gloves before proceeding to the next step of the skill, improving patient safety. Guides you in Delegation and Collaboration, explaining when to delegate a skill to assistive personnel, and indicating what key information must be shared. Highlights Special Considerations such as information unique to pediatric or geriatric patients, to raise awareness of additional risks you may face when caring for a diverse patient population. Provides sample documentation of

Access Free Mosby S Nursing Video Skills

nurses notes so that you can learn to communicate effectively to the patient care team. Contains multimedia resources such as video clips, skills performance checklists, interactive exercises, and more, all easily available to you on the companion Evolve website at no additional cost. Content has been reorganized to make topics easier to find, improving ease of use. Covers new topics that will help you develop the skills needed to practice according to the TJC and ACCN recommendations. Covers new skills that will prepare you for nursing practice in a wide variety of environments. Features a unique new chapter, Using Evidence in Practice, that introduces you to using evidence to solve clinical problems. Introduces you to Consistent Patient Identification Protocol as recommended by The Joint Commission, improving quality of

Access Free Mosby S Nursing Video Skills

care and patient safety. Includes enhanced and greatly expanded end-of-chapter exercises, now featuring case study questions, NCLEX alternate format questions, and multiple-choice questions.

Known for its comprehensive coverage, readability, and visual presentation, Mosby's Textbook for Nursing Assistants, 10th Edition helps prepare you to work in long-term care, acute care, and subacute care settings - and includes a practice scenario in each chapter to enhance clinical judgment skills. It is the most comprehensive text for CNA programs, packed with step-by-step instructions for over 100 procedures and perfect for programs that are 80 hours or longer. The lifespan coverage includes skills not only for adults and older

Access Free Mosby S Nursing Video Skills

residents, but also for maternity and pediatric patients, so you are comfortable in a variety of care settings. New chapter organization allows you to learn in manageable portions and a revitalized art program clarifies important concepts and procedural steps. A clear writing style at a 7th grade reading level ensures accessibility for low-level learners. Over 100 skills outlined in pre-procedure, procedure, and post-procedure sections ensure you learn all the necessary steps to pass the skills portion of the certification exam. Complete coverage of the knowledge and skills needed to pass the state certification exam and engage in safe practice. Focus on Practice: Problem Solving provides scenarios that stimulate critical thinking about common situations encountered during practice. Focus on Math feature reviews

Access Free Mosby S Nursing Video Skills

mathematical calculations needed in various care measures and procedures. Focus on Surveys feature highlights the nursing assistant's role during state inspections. Getting a Job chapter covers the soft skills needed to seek and obtain employment. Focus on PRIDE: The Person, Family, and Yourself boxes build on chapter concepts to help promote pride in the nursing assistant, the resident, and the resident's family. Promoting Safety and Comfort boxes emphasize the importance of the patient's or resident's safety and comfort. Delegation Guidelines detail the specifics of accepting delegated tasks. Focus on Children and Older Person boxes provide age-specific information about special needs, considerations, and circumstances of children and older persons. Focus on Long-Term Care and Home Care boxes

Access Free Mosby S Nursing Video Skills

highlight information vital to providing competent care in the long-term and home care settings. Focus on Communication boxes provide guidelines for how to clearly communicate with residents and avoid comments that might make them uncomfortable. Caring About Culture boxes contain information to help you learn about the various practices of other cultures. Teamwork and Time Management boxes provide specific guidelines to help nursing assistants work most efficiently whether independently or as part of the nursing team. Chapter review questions are a useful study guide found at the end of each chapter. UPDATED! Shorter, more focused chapters help you retain important concepts and skills covered in the NATCEP certification exam. NEW and UPDATED! New chapter organization breaks material

Access Free Mosby S Nursing Video Skills

into manageable portions, improving your ability to retain important information. UPDATED! Enhanced art program illustrates important content and procedures.

With step-by-step instructions for over 100 nursing assistant procedures, Mosby's Textbook for Nursing Assistants, 8th Edition makes it easy to master the skills you need to succeed as a nursing assistant. Known for its visual approach and comprehensive, easy-to-read coverage, this market-leading text emphasizes the importance of the patient or resident as a person, communication, safety, comfort, effective delegation, and teamwork and time management. This edition provides expanded content on the person's rights and pressure ulcers. The updated companion CD includes

Access Free Mosby S Nursing Video Skills

three new procedures, an updated audio glossary, and more. Written by respected educator Sheila Sorrentino and expert co-author Leighann Remmert, Mosby's Textbook for Nursing Assistants makes nurse assisting easy to learn. Complete coverage includes the knowledge and skills needed by the nursing assistant. A clear, readable writing style is supplemented with hundreds of full-color photographs and illustrations. Over 100 procedures are divided into pre-procedure, procedure, and post-procedure sections for easier learning. Skills on the NNAAP® exam are highlighted throughout and have been updated to match the 2012 test plan. Delegation Guidelines identify your specific responsibilities in accepting commonly delegated tasks. Teamwork and Time Management boxes indicate ways you

Access Free Mosby S Nursing Video Skills

can efficiently work with and help nursing team members. Promoting Safety and Comfort boxes detail measures and cautions for providing safe, effective patient care. Caring About Culture boxes help you learn about the beliefs and customs of other cultures so you can provide appropriate care. Focus on Children and Older Persons boxes provide age-specific information about the special needs, considerations, and circumstances of children and older persons. Focus on Long-Term Care and Home Care boxes highlight information vital to providing competent care in these settings. Focus on Communication boxes provide guidelines for what to say and ask when communicating with residents, visitors, and the nursing team. Key abbreviations are included at the beginning of each chapter, with a comprehensive

Access Free Mosby S Nursing Video Skills

glossary at the back of the book. Key terms introduce chapter content with the important words and phrases. Chapter Review Questions are useful in guiding your study, reviewing what you have learned, and studying for a test or the competency evaluation. CD icons indicate skills included on the companion CD. Video clip icons indicate skills for which video clips are included on the free Evolve companion website. Video icons indicate skills included in the Mosby's Nursing Assistant Video Skills 3.0 DVDs (sold separately). The Workbook and Competency Evaluation Review corresponds to chapters in the text and encourages learning with a wide variety of exercises and activities that challenge you to remember what you've learned. It also includes over 100 checklists, one for each procedure in the textbook. The

Access Free Mosby S Nursing Video Skills

Competency Evaluation Review includes content review, skills evaluation review, and two practice exams. Sold separately. NEW! The Person's Rights and Pressure Ulcers chapters provides expanded information on these key areas. NEW Focus on PRIDE boxes highlight personal and professional responsibility, rights and respect, independence and social interaction, delegation and teamwork, and ethics and laws to help you promote pride in the person, family, and yourself. Two laminated, pocket-sized cards include information on normal vital signs, common measurement conversions, positioning, the 24-hour clock, and abdominal and lateral regions. Updated companion CD contains interactive procedures, including three new procedures, learning exercises, an updated audio glossary, and a new

Access Free Mosby S Nursing Video Skills

Spanish audio glossary with phrases and terms. An updated A&P review, Body Spectrum, is available on the CD and on the Evolve companion website.

Take your understanding to a whole new level with Pageburst digital books on VitalSource! Easy-to-use, interactive features let you make highlights, share notes, run instant topic searches, and so much more. Best of all, with Pageburst, you get flexible online, offline, and mobile access to all your digital books. Known for its clear, comprehensive coverage of over 200 evidence-based skills, *Clinical Nursing Skills & Techniques* is today's leading nursing skills reference. It features nearly 1,000 full-color photographs and drawings, a nursing process framework, step-by-step instructions with

Access Free Mosby S Nursing Video Skills

rationales, and a focus on critical thinking and evidence-based practice. This edition includes new coverage of patient-centered care and safety guidelines, an emphasis on QSEN core competencies, and links to valuable online resources. Written by the trusted author team of Anne Griffin Perry and Patricia A. Potter, and now joined by new author Wendy Ostendorf, this reference helps you perform nursing skills with confidence. Coverage of QSEN core competencies includes delegation and collaboration, guidelines for reporting and recording, and pediatric, geriatric, home care, and teaching considerations. Unique! Using Evidence in Nursing Practice chapter covers the entire process of conducting research, including collecting, evaluating, and applying evidence from published research. Comprehensive coverage includes 212

Access Free Mosby S Nursing Video Skills

basic, intermediate, and advanced nursing skills. Clinical Decision Points within skills address key safety issues or possible skill modifications for specific patient needs. Icons indicate video clips related to skills and procedures in the book and related lessons in Nursing Skills Online. Rationales for each skill step explain why steps are performed in a specific way, including their clinical significance and benefit, and incorporate the latest research findings. The five-step nursing process provides a framework for the description of skills within overall client care. Unique! Unexpected outcomes and related interventions alert you to what might go wrong and how to appropriately intervene. Online checklists and video clips may be downloaded to mobile devices. NEW Patient-Centered Care sections address issues unique to
