Marco Polo Didn't Go There is a collection of rollicking travel tales from a young writer USA Today has called "Jack Kerouac for the Internet Age." For the past ten years, Rolf Potts has taken his keen postmodern travel sensibility into the far fringes of five continents for such prestigious publications as National Geographic Traveler, Salon.com, and The New York Times Magazine. This book documents his boldest, funniest, and most revealing journeys--from getting stranded without water in the Libyan desert, to crashing the set of a Leonardo DiCaprio movie in Thailand, to learning the secrets of tantric sex in a dubious Indian ashram. Marco Polo Didn't Go There is more than just an entertaining journey into fascinating corners of the world. The book is a unique window into travel writing, with each chapter containing a "commentary track"--endnotes that reveal the ragged edges behind the experience and creation of each tale. Offbeat and insightful, this book is an engrossing read for students of travel writing as well as armchair wanderers.

The Far East comes alive in this activity book centered on Marco Polo's journey to China from Venice along the 13th-century Silk Road. Kids will join Marco as he travels by caravan through vast deserts and over steep mountain ranges, stopping in exotic cities and humble villages, until at last he arrives at the palace of the Kublai Khan. Woven throughout the tale are 21 activities that highlight the diverse cultures Marco encountered along the way. Activities include making a mythical map, creating a mosaic, fun with Feng Shui, making paper, and putting on a wayang-kulit (shadow-puppet play). Just for fun, kids will learn a few words of Turkish, Persian, Mongol, Hindi, and Chinese. A complete resource section with magnificent museums and their Web sites invites kids to embark on their own expedition of discovery.

Reproduction of the original.

A portrait of the thirteenth-century explorer, adventurer, and global traveler follows Marco Polo from his youth in Venice to his journey to Asia and role in the court of Kublai Khan, to his return to Europe, and discusses his influence on the history ofhis era.

"I have read everything written on Marco Polo, and John Man's book is, by far, my favorite work on the subject. It's not only an over-due and important historical study, it's an entertaining ride every step of the way." - John Fusco, Creator of the Netflix original series Marco Polo The true history behind the Netflix original series Marco Polo, here is the remarkable story of the world's most famous traveler, retracing his legendary journey from Venice to China, the moment East first met West. In 1271, a young Italian merchant named Marco Polo embarked on a groundbreaking expedition from Venice, through the Middle East and Central Asia to China. His extraordinary reports of his experiences introduced medieval Europe to an exotic new world of emperors and concubines, amazing cities, huge armies, unusual spices and cuisine, and imperial riches. Marco Polo also revealed the wonders of Xanadu, the summer capital of Mongol emperor Kublai Khan. Almost 750 years later, acclaimed author John Man traveled in Marco Polo's footsteps to Xanadu then on to Beijing and through modern China in search of the history behind the legend. In this enthralling chronicle, Man draws on his own journey, new archaeological findings, and deep archival study to paint a vivid picture of Marco Polo and the great court of Kublai Khan.

Marco Polo was the most famous traveller of his time. His voyages began in 1271 with a visit to China, after which he served the Kubilai Khan on numerous diplomatic missions. On his return to the West he was made a prisoner of war and met Rustichello of Pisa, with whom he collaborated on this book. The accounts of his travels provide a fascinating glimpse of the different societies he encountered: their religions, customs, ceremonies and way of life; on the spices and silks of the East; on precious gems, exotic vegetation and wild beasts. He tells the story of the holy shoemaker, the wicked caliph and the three kings, among a great many others, evoking a remote and long-vanished world with colour and immediacy. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Take a Thai cookery course, visit the famous Wat Phra Kaeo temple complex and the Royal Palace or go on an elephant trek! Thailand awaits! Each chapter in the Marco Polo Thailand Spiral Guide is based around a region and includes: Instant knowledge: a neat, introductory overview split into 3 areas including Top 10, Don't Miss, and All Your Leisure so you get an instant idea of what that area is like and whether it suits your mood that day. 'My Special Day': a recommended tour exploring an area or a different aspect of the destination. Accessible information: a straight to the point, unique, questioning structure highlights the key points for all Top 10 sights in a fun and highly accessible way. Relaxation: every sight has a suggestion for time out so you have time to pause and savour the moment whether it's in a park or people watching in a lovely coffee shop. Insider Tips: tips to uncover sides of the country unknown to even the most regular visitors. * Maps: Road atlas and pull-out map. The perfect road trip companion. So you haven't had a chance to sift through Trip Advisor or read that doorstep sized guide? No worries. Your Marco Polo Thailand Spiral Travel Guide is here to help. With all the key information neatly put together in this handy, pocket sized guide, you're good to go. The spiral binding makes this guide easy to use on the move - fold the book back on itself so it's always ready on the page you need.

In the late 1290s, an imprisoned Venetian merchant dictated an account of his amazing adventures in China. That book, The Travels of Marco Polo, was an instant success. Though scholars once derided Polo's tale, today's historians accept it as accurate. The original manuscripts are long lost, but now, for the first time, a modernized hybrid edition has been compiled from translations by William Marsden and Henry Yule. Comprising nearly 150 chapters, this superbly illustrated, silk-bound abridgement of this seminal work is a treasure worthy of its subject.
