Paul Revere's daring midnight ride made him an instant celebrity, right? Wrong! At first, no one in Boston even wanted to mention it. Jeff Lantos pulls apart Longfellow's famous poem "Paul Revere's Ride" to unravel how and why he twisted historical facts. Do you know how historically inaccurate "Paul Revere's Ride" is? And do you know why? Author Jeff Lantos pulls apart Longfellow's poem, tells the real story about Paul Revere's historic ride, and sets the record right. Not only that, he lays out when and why Longfellow wrote his poem and explains how without it, many of us wouldn't know much about Revere at all. This is Steve Sheinkin for the younger set, complete with an American mystery and a look at two important moments in the history of our country. Jump start your day with Nuggets of Inspiration Guard your thoughts: they are constantly creating your Ups or Downs "And let us not be weary in well doing: For in due season we shall reap, if we faint not" (Galatians 6:9) Life is lived on an incline. You are either moving upward or sliding downward. And the way to be ever upward and onward is to ever surpass yourself: The rung on life's ladder on which you are standing today should be above the one on which you stood yesterday, but below the one on which you will stand tomorrow

There is more to Niagara County, New York, than challenging the awesome power of Niagara Falls in a barrel. Nuggets of Niagara County History, in fulfilling this realization, is a history book about the county and its formation from the powerful Iroquois Nation to the movers and shakers who made fortunes in developing a wilderness. This is not a dry history book full of dates and uninspiring events, but it emphasizes the unusual and the people who have made that history. Niagara County is inextricably entwined with such famous names of History as the Seneca Chiefs Corn Planter and Red Jacket, the Joncaires, explorer LaSalle and his faithful companion Father Hennepin the first Caucasian to write of the falls. There are tales of War of 1812 heroes, who fought the little known war across the Niagara River into adjacent Canada. Civil War heroes, too, came from Niagara County and even old Abe Lincoln received a perceived "bomb threat" from the County Seat of Lockport. There is the sad story of the greedy men who "swindled" the Iroquois out of most of their New York State land. These precious nuggets of history hold something intriguing for readers from throughout the land.
