Foundation Collaboration is increasingly  
difficult and increasingly necessary. Often,  
to get something done that really matters to  
us, we need to work with people we don ' t

big issues like democracy and jobs and climate change and on everyday issues in organizations and families. He has learned that our conventional understanding of collaboration—that it requires a harmonious team that agrees on where it 's going, how it 's going to get there, and who needs to do what—is wrong. Instead, we
