Prince Rupert The Last Cavalier

Arrives: Oct 29 - 31 Details To his fellow Royalists, fighting for King Charles I, Prince Rupert of the Rhine was the archetypal 'cavalier'. Young, handsome, expert horseman, crack pistol shot, his swaggering style irritated the stuffier of the king's courtiers almost as much as the 'Roundheads' they were fighting.

Prince Rupert: The Last Cavalier: Amazon.co.uk: Spencer ...

Prince Rupert -- The Last Cavalier (2007) by British author Charles Spencer -- journalist (former correspondent for NBC News), writer, broadcaster, and the peer 9th Earl Spencer -- should be congratulated for writing this magnificent and comprehensive biography of Prince Rupert of the Rhine (1619-1682), a prince who packed more life in his lifetime than seemed humanly possible to any mortal by the standards of any age.

Prince Rupert: The Last Cavalier: Amazon.co.uk: Spencer ...

An excellent biography of the last Cavalier, written by Charles, Earl Spencer. Prince Rupert fought for the Royalists as Charles I was being overthrown in the Civil War. He continued to be a supporter of the royal dynasty even after the King was executed. He came back to England when Charles II took the throne and was a respected advisor to the King.

Prince Rupert: The Last Cavalier by Charles Spencer

Prince Rupert: The Last Cavalier. ***. Charles Spencer. Weidenfeld & Nicolson, 2007. 369 pages, £20.00. ISBN 978 0 297 84610 9. Charles Spencer, who is an expert on loyalty, admires Prince Rupert for his devotion to his king, his relations, his men and his religion. In this well researched and competently written biography he shows how Rupert remained loyal to Charles I, despite some unfair treatment along the way, loyal to his extravagant mother and selfish older brother, loyal to his ...

Prince Rupert The Last Cavalier by Charles Spencer ISBN 13: 9780753824016 ISBN 10: 0753824019 Paperback; London, England: Phoenix, July 1, 2008; ISBN-13: 978-0753824016

Recounts the life and exploits of the general, cavalier, scientist, and scholar, from his childhood escape through Bohemian snows to his later life as a respected statesman.

A brilliant history of Prince Rupert of the Rhine from his penniless start, becoming a soldier in his teenage years, up to his life as King Charles II's most famous and spectacular general.

Examines the lives of the men who signed Charles I's death warrant and the far-reaching consequences for them, those present at the trial, and England itself.

How did the most wanted man in the country outwit the greatest manhunt in British history?

Download Ebook Prince Rupert The Last Cavalier

How did the most wanted man in the country outwit the greatest manhunt in British history? In January 1649, King Charles I was beheaded in London outside his palace of Whitehall and Britain became a republic. When his eldest son, Charles, returned in 1651 to fight for his throne, he was crushed by the might of Cromwell's armies at the battle of Worcester. With 3,000 of his supporters lying dead and 10,000 taken prisoner, it seemed as if his dreams of power had been dashed. Surely it was a foregone conclusion that he would now be caught and follow his father to the block? At six foot two inches tall, the prince towered over his contemporaries and with dark skin inherited from his French-Italian mother, he stood out in a crowd. How would he fare on the run with Cromwell's soldiers on his tail and a vast price on his head? The next six weeks would form the most memorable and dramatic of Charles' life. Pursued relentlessly, Charles ran using disguise, deception and relying on grit, fortitude and good luck. He suffered grievously through weeks when his cause seemed hopeless. He hid in an oak tree - an event so fabled that over 400 English pubs are named Royal Oak in commemoration. Less well-known events include his witnessing a village in wild celebrations at the erroneous news of his killing; the ordeal of a medical student wrongly imprisoned because of his similarity in looks; he disguised himself as a servant and as one half of an eloping couple. Once restored to the throne as Charles II, he told the tale of his escapades to Samuel Pepys, who transcribed it all. In this gripping, action-packed, true adventure story, based on extensive archive material, Charles Spencer, bestselling author of *Killers of the King*, uses Pepys's account and many others to retell this epic adventure.

Nebula and World Fantasy Award Finalist: A fantastic tale of intrigue, love, war, magic, and swashbuckling adventure set in an alternate universe where fairies mingle freely with Englishmen and all of Shakespeare's fictional characters are real. Welcome to an alternate civil-war-torn seventeenth-century England—a world where Hamlet once brooded and Othello jealously raged. Here faeries and sprites gambol in English woods, railroads race across the landscape while manned balloons float above the countryside, and the most respected historian of all is one William Shakespeare of Stratford-upon-Avon. The year is 1644, and the war between the Roundheads and the Cavaliers rages. When Rupert, nephew of King Charles I, is taken captive by Cromwell's troops and imprisoned in a Puritan home, he is immediately smitten with the beautiful Jennifer Alayne, his captor's niece. Escaping with the help of his newfound beloved and the loyal trooper Will Fairweather, Rupert leads Jennifer deep into the forest, where the faerie folk who dwell there have a vested interest in the outcome of the great and bloody conflict. Though the lovers must soon part—with the prince undertaking a dangerous mission for his magical benefactors that could turn the tide of war—Rupert and his lady love will be forever joined by the rings presented to them by King Oberon and Queen Titania. And despite the strange, twisting pathways and turbulent seas they are destined to encounter, they will always be able to find each other again . . . as long as their love remains true. Nominated for the World Fantasy Award and winner of the Mythopoeic Award, Poul Anderson's *A Midsummer Tempest* is a titanic achievement—a delightful alternate-history fantasy that brings the fictional worlds of Shakespeare's plays to breathtaking life with style, wit, and unparalleled imagination.

From the bestselling author Charles Spencer, a brilliant insider's history of the Spencer family.

The story of Boy, the canine companion of King Charles I's nephew, Prince Rupert, whose fame as a dog-witch was one of the stranger consequences of the English Civil War.

THE #2 SUNDAY TIMES BESTSELLER "As gripping as any thriller. History doesn't get any better than this" BILL BRYSON "A brilliant read ... Game of Thrones but in the real world" ANTHONY HOROWITZ
