A charming, heartbreaking and beautifully evocative novel about fate, friendship and family Every day in the vast and vibrant city of Bombay, thousands of dabbawalla delivery-men transport hundreds of thousands of freshly prepared lunches in tiffin boxes, straight from workers' homes and into their offices. Even though the city is a maze of streets, and the tiffins carry a delivery code only dabbawallas can understand, no lunch ever gets lost. Well, almost never... When a secret note placed in a tiffin box goes astray, the consequences for a young boy are devastating. Separated from his mother and forced to work as a slave in a cafe, Kunal is sure that if he could just find his family, his life and his fortunes would change forever. Recruiting the help of a dabbawalla friend, Kunal vows to find his mother - and it seems the answer may lie with the tiffins once more. If a lost note was the beginning of his destiny, can he use another to change it?

You are holding in your hands the first book containing an authentic biography of two greatest divinities of this country about which people are

not well acquainted. It contains a unique account not found elsewhere about the actual meetings of Bhaijee—Shri Hanuman Prasad Poddar with Lord Vishnu in 1927 at Jasidih in front of several gentlemen and again in Gorakhpur. Second important event is the exclusive appearance of saint Narad and great sage Angira in front of Bhaijee in 1936. Conversation of Bhaijee with a Parsee ghost would certainly convince readers about the importance of Shraddh to be performed after one's death. Bhaijee was not only a true saint and social reformer but was also involved in independence movement of India. Founder editor of famous "Kalyan"; Bhaijee did herculean efforts to translate rare and ancient scriptures like Ramayana & Mahabharat from Sanskrit to Hindi and made them available to everyone at very nominal price. Bhaijee showed an evidence for a brightest identity of the sweet love towards Radha-Krishna and explored its feasibility to achieve it with an utmost simplicity through his discourses and texts. He did an extraordinary campaign for divine name and religious devotion (Bhakti) amidst general public. Inclusion of a short biography of another divinity—Sethji Shri Jaidayal Goyandka is another feature of this seminal book. The credit for establishment of Gita Press in Gorakhpur; Govind Bhawan in Kolkata; Gita Bhawan of Swargashram at Rishikesh and Rishikul Ashram in Churu including a unique; authentic and excellent commentary on Gita goes to him only.

Sethji is the head of the ABSP, a crucial coalition partner in the government. Shrewd, ruthless and an inveterate fighter, he is a man who refuses to play by any moral codes or lose a single battle. Easing his way is Amrita, his ravishing and aloof daughter-in-law who guards her own secrets. But when two of the country's most powerful men team up to challenge Sethji, the wily old politician has to fight the deadliest battle of his life—a battle in which he must stake everything. The one person he is forced to trust is Amrita, a woman who gives nothing away, not even to Sethji. Exposing the dark, venal heart of Indian politics, Sethji is an absolutely unputdownable novel about ambition, greed—and above all trust.

The emergence of periodicals in Hindi for women and girls in early-twentieth-century India helped shape the nationalist-feminist thought in the country. Analysing the format and structure of periodical literature, Shobna Nijhawan shows how it became a medium for elite and middle-class women to think in new idioms and express themselves collectively at a time of social transition and political emancipation. With case studies of Hindi women's periodicals including Stri Darpan, Grihalakshmi, and Arya Mahila, and explorations of Hindi girls' periodicals like Kumari Darpan and Kanya Manoranjan, the study brings to light the nationalist demand for home rule for women. Discussing domesticity, political emancipation, and language politics, Shobna argues that women's periodicals instigated change and were not mere witnesses. With a perceptive Introduction setting the context, the work showcases rare archival material: advice texts, advertisements and book reviews, and multiple narratives specifically meant for women and girls of early twentieth-century north India.

The return of India's raciest storyteller . . . Sethji is the head of the ABSP, a crucial coalition partner in the government. Shrewd, ruthless and an inveterate fighter, he is a man who refuses to play by any moral codes or lose a single battle. Easing his way is Amrita, his ravishing, ambitious and aloof daughter-in-law who guards her own secrets. But when two of the country's most powerful men team up to challenge Sethji, the wily old politician has to fight the deadliest battle of his life – a battle in which he must stake everything. The one person he is forced to trust is Amrita, a woman who gives nothing away, not even to Sethji. Exposing the dark, venal heart of Indian politics, Sethji is a powerful novel about ambition, greed – and above all trust. It will do to politics what *Starry Nights* did to Bollywood, laying bare Delhi's fixers and politicians and the ugly machinations that drive India's biggest players. Returning to fiction after a decade, Shobhaa Dé has created an unforgettable character, a man who is indomitable and powerful and will stay with you long after the book ends. Gripping, revelatory and absolutely unputdownable, this is Dé at her dazzling best. On an epic road trip from Mumbai to London, Badri Baldawa's granddaughter Nishi asks him about his many adventures. She had joined him on his drive around Iceland where their car broke down and she wondered what other Adventures her Nana must've had. When Badri tells

her about a terrifying incident from his Kailash-Mansarovar trip 30 years ago, it serves to whet her appetite for his stories. There begins the narration—the life of Badri Baldawa—as told by him, punctuated by the many sights and stops on their 72 days self-drive road trip to London. Nine-year-old Nishi is the medium through which we explore the events that shaped Badri’s never-back-down philosophy in an unusually exciting life. “I have enjoyed hearing about many of the other adventures Badri has undertaken and I believe he still has many more to come.”
