My resume is pretty full: I've cow-tipped the Minotaur, decimated a gang of weredragons, sucker-punched an Angel, and eaten pancakes with the Four Horsemen of the Apocalypse... I've kidnapped one of the most powerful wizards on the planet, and slaughtered the Brothers Grimm. I'm kind of a big deal. But I never thought I'd find myself at a crossroads, a pawn in a deadly game that I hadn't known existed, willing to sell my soul to save the life of someone I loved... That's when I learned true fear, because the world I thought I knew was all just smoke and mirrors, and I was just a puppy playing amongst wolves... If you like Jim Butcher, Kevin Hearne, or Patrick Rothfuss, you will LOVE the fifth installment of The Amazon Bestselling Nate Temple Supernatural Thriller series.

"A city that doesn't believe in magic. A weredragon invasion. Good thing this reckless playboy is a wizard... It's been said that monsters cry when a good man goes to war. But they should run screaming like terrified school girls when that man is a wizard, and not necessarily good..."--Author's website.

The Brothers Grimm - legendary supernatural assassins - have escaped their prison, and their first day in St. Louis could be Nate Temple's last... Sharing a beer with Death - one of the Four Horsemen of the Apocalypse - really put a few things into perspective for this foul-mouthed, billionaire wizard. Like finally strapping on the boots to propose to his girlfriend. But assassination contracts have a way of putting wedding plans on hold. Perhaps permanently. And with the entire wedding party on the bloodthirsty Grimm's hit-list, and his family fortune in jeopardy, Nate realizes they can't run and they can't hide. So, time to do magic and stuff... But with every flavor of supernatural thug teaming up to help the Grimms, Nate realizes that friends have become enemies and enemies have become friends, and he's forced to cross lines that are better left

uncrossed. When magic, claws, and teeth dance to the song of war, the only thing left to learn is who lives and who dies. And if Nate can live with the consequences. You thought you knew how crazy the TempleVerse could get? Hold my beer ¿ LAST CALL is a collection of three drunken novellas set in the TempleVerse, including: Motherlucker-Callie and Quinn's girls' night out in Vegas. "With Achilles angry at Nate for crashing his Fight Night, the Horsemen of the Apocalypse breathing down his neck, and an accidental shifter infection with a cheerful Swedish male dancer, Nate already has his hands full. Then his enemies try to wake up a God" -- from author's web site.

To become a godkiller you have to awaken the monster inside you Almost a year has passed since Nate's ex-fiancé woke up a Greek god intent on world domination and war. The problem? He doesn't know which god. And the promised war hasn't started yet. With the Four Horsemen refusing to help, and an army of monsters living on his lawn, Nate resorts to the one thing he's best at pissing off demigods and Greek Heroes in hopes of jump-starting the war. But then he receives an ominous invitation that he literally cannot refuse. A dark, deadly place where nightmares roam free demands an audience. The Land of the Fae. He must forget every story he's heard about the Fae. They're nothing like he imagined, nothing like he's been told, But to kill a God, he must first become a monster.

It seems every supernatural family in town is sick and tired of Nate and wants to put him in his place. The worst part is, all his friends seem to agree. With everyone else fighting to prevent war between the families, Nate takes two of his scariest friends on a walk down that famous path paved with good intentions-- to those eternal pits of despair-- so he can finally demand some real answers from his parents.

A Wizard, an Angel, and a Horseman of the Apocalypse walk into a bar... The ancient pact between mankind, Heaven, and Hell has been broken. And this upstart wizard's quest for vengeance may have just kicked off Armageddon. So, time for a drink... or maybe two. Already plagued with sinister night terrors that could qualify him as a card-carrying psychopathic insomniac, Nate can barely even manage to put his pants on in the morning, let alone pick teams for the Apocalypse. But when he's framed as a demon sympathizer, condemned by the Armies of Heaven, and hunted down by both his allies and the Four Horsemen, this wizard doesn't think it can get any worse... Then they take away his magic. And a wizard without magic stands no chance against the forces of Heaven and Hell... If you like Jim Butcher, Kevin Hearne, or Patrick Rothfuss, you will LOVE the second installment of The Nate Temple Supernatural Thriller series.
