But growing up Black and gay in America has never been easy. Before Billy Porter was slaying red carpets and giving an iconic Emmy-winning performance in the celebrated TV show *Pose*; before he was the groundbreaking Tony and Grammy Award-winning star of Broadway's *Kinky Boots*; and before he was an acclaimed recording artist, actor, playwright, director, and all-around legend, Porter was a young boy in

He was endlessly bullied at school, sexually abused by his stepfather, and criticized at his church. Porter came of age in a world where simply being himself was a constant struggle. Billy Porter's Unprotected is the life story of a singular artist and survivor in his own words. It is the story of a boy whose talent and courage opened doors for him, but only a crack. It is the story of a teenager discovering himself,

And it is the story of a young man whose unbreakable determination led him through countless hard times to where he is now; a proud icon who refuses to back down or hide. Porter is a multitalented, multifaceted treasure at the top of his game, and Unprotected is a resonant, inspirational story of trauma and healing, shot through with his singular voice.

Claudia's mother—Agnes Miller Christie—is a beautiful African American woman who survives a chance encounter on a Georgia road that propels her into a new life in the Bronx. Soon after, her husband, Eddie Christie, is called to duty on an air craft carrier in Vietnam, where Tom Stoppard's play "Rosencrantz and Guildenstern Are Dead" becomes Eddie's life anchor, as he grapples with mounting racial tensions on the ship and counts the days until he will see Agnes again. With piercing humor, exacting dialogue, and a beautiful sense of place, Regina Porter's debut is both an intimate family portrait and a sweeping exploration of what it means to be American today.
