The ghost of Sherlock Holmes is dead, but who will solve his murder? The Great Detective's ghost has walked London's streets for an age, given shape by people's memories. Now someone's put a ceremonial dagger through his chest. But what's the motive? And who — or what — could kill a ghost? When policing London's supernatural underworld, eliminating the impossible is not an option. DI James Quill and his detectives have learnt this the hard way. Gifted with the Sight, they'll pursue a criminal genius — who'll lure them into a Sherlockian maze of clues and evidence. The team also have their own demons to fight. They've been to Hell and back (literally) but now the unit is falling apart . . . Paul Cornell's *Who Killed Sherlock Holmes?* is the third book in the urban gothic *Shadow Police* series.

A carefully researched vintage-style

Shadow Police Book 3
reimagining of the case of Jack the Ripper pits the nineteenth-century serial killer against Sherlock Holmes, who endeavors to identify and outmaneuver his adversary against a backdrop of their time and without modern technology.

Reichenbach was not his deepest fall.... Autumn 1903 has not been kind to Sherlock Holmes. Irene Adler, his platonic love, is dead, and the detective has again fallen into the clutches of cocaine. Dr Watson hopes that the distraction of a marriage fraud case can help pull his friend out of his depression. But it soon becomes clear that behind the apparently banal crime lurks something much more sinister, something that will take Holmes and Watson to faraway Bohemia, where they must face an unimaginably terrible enemy. A corpse has been discovered on the grave of Rabbi Loew and Prague's

Jews are whispering about the Golem...

'Body thought to be that of E.J. Drebber discovered last night in empty London house. No obvious cause of death. Address given as Cleveland Ohio. Any information would be appreciated'. After a mysterious murder leaves the police baffled, the world's only amateur detective is asked to investigate. Along with his fellow lodger, Dr Watson, Sherlock Holmes sets about uncovering a quest for revenge that runs far deeper than anybody suspected.

A collection of stories featuring detectives, criminal agents and debonair crooks from the golden age of crime fiction: a time when Sherlock Holmes was ensconced in his rooms at 221B Baker Street and London was permanently wreathed in a sinister fog.

NEW YORK TIMES BESTSELLER

Laurie R. King's New York Times bestselling novels of suspense featuring Mary Russell and her husband, Sherlock Holmes, comprise one of today's most acclaimed mystery series. Now the couple is separated by a shocking circumstance in a perilous part of the world, each racing against time to prevent an explosive catastrophe that could clothe them both in shrouds. In a strange room in Morocco, Mary Russell is trying to solve a pressing mystery: Who am I? She has awakened with shadows in her mind, blood on her hands, and soldiers pounding on the door. Out in the hivelike streets, she discovers herself strangely adept in the skills of the underworld, escaping through alleys and rooftops, picking pockets and locks. She is clothed like a man, and armed only with her wits and a scrap of paper containing a mysterious Arabic phrase. Overhead,

warplanes pass ominously north. Meanwhile, Holmes is pulled by two old friends and a distant relation into the growing war between France, Spain, and the Rif Revolt led by Emir Abd el-Krim—who may be a Robin Hood or a power mad tribesman. The shadows of war are drawing over the ancient city of Fez, and Holmes badly wants the wisdom and courage of his wife, whom he's learned, to his horror, has gone missing. As Holmes searches for her, and Russell searches for herself, each tries to crack deadly parallel puzzles before it's too late for them, for Africa, and for the peace of Europe. With the dazzling mix of period detail and contemporary pace that is her hallmark, Laurie R. King continues the stunningly suspenseful series that Lee Child called "the most sustained feat of imagination in mystery fiction today." Praise for *Garment of Shadows* "As always, the relationship

between Holmes and Russell is utterly understated yet traced with heat and light. [A] taut tale . . . original and intriguing . . . This tantalizing glimpse into the life and times of a rapidly evolving Arabic society has remarkable resonance for our own uncertain times. Publishers Weekly
Those new to the series are in for a treat. Bookreporter

"A psychological account of a crime" - that's how Fyodor Dostoyevsky described his novel Crime and Punishment, which tells of two horrific axe murders in St. Petersburg. It becomes much more than a mere "account," however, when a pair of dead bodies turn up in London's East End, their heads split open by an axe-blade. To Scotland Yard, the crimes are murders to solve. To Sherlock Holmes, they present an intriguing puzzle. But to the literary

man, Dr. John H. Watson, they seem a deliberate re-staging of the brutal murders depicted in Dostoyevsky's narrative. If Watson is right, what can be the purpose behind an actual recreation of the fictional killings? Blocking the answer to that question is a mysterious assortment of English and Russian eccentrics, and one can only wonder if the startling revelation at the end will be dramatic enough to set matters straight.

Desperate to find a case to justify the team's existence, with budget cuts and a police strike on the horizon, Quill thinks he's struck gold when a cabinet minister is murdered by an assailant who wasn't seen getting in or out of his limo. A second murder, that of the Commissioner of the Metropolitan Police, presents a crime scene with a message...identical to that left by the original Jack the Ripper. The new

Bookmark File PDF Who Killed Sherlock Holmes

Ripper seems to have changed the MO of the old completely: he's only killing rich white men. The inquiry into just what this supernatural menace is takes Quill and his team into the corridors of power at Whitehall, to meetings with MI5, or 'the funny people' as the Met call them, and into the London occult underworld. They go undercover to a pub with a regular evening that caters to that clientele, and to an auction of objects of power at the Tate Modern. Meanwhile, in Paul Cornell's *The Severed Streets*, the Ripper keeps on killing and finally the pattern of those killings gives Quill's team clues towards who's really doing this.... At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A sequel to *Shadowfall*, this novel continues the adventures of Holmes as a

Shadow Police Book 3
man of two worlds, gifted with both deductive and magical powers. The convalescing Watson's country holiday is brought to an abrupt end when an eccentric recluse named Edgar Telfair demands that Holmes investigate his daughter's disappearance. Holmes's refusal to take the case is followed by Telfair's sudden, horrific slaying. The act revives Watson's suppressed memories of the Shadows and reintroduces him to Holmes's double life. Together Holmes and Watson must find Alice Telfair, a witch whose shocking powers are obtained through blood magic, the vilest form of sorcery. Tracking her from Paris to Prague to America, they soon learn that she is traveling with a shadowy figure equally as dangerous. Old friends, including Lestrade and Mycroft, assist Holmes and Watson in their quest. In America the pair enlists new allies: a Pinkerton agent with a past, a

Seminole showman, a blind photographer whose cameras capture the spirit world, and a strange little boy destined for a frightening future. But Holmes and Watson are being stalked, not only by Alice Telfair and her hideous assistant, but also by a mysterious interloper whose quest for justice stretches from beyond the grave.

Fancy a good mystery? Dive into this Sherlock Holmes tale from the pen of the master, Sir Arthur Conan Doyle. Drawn from Doyle's last collection of Sherlock Holmes stories, "The Adventure of the Bruce-Partington Plans" centers on a set of secret blueprints for a state-of-the-art underwater vessel -- and the identity of the man who was carrying them when he fell to his death from a moving train. A must-read for fans of classic detective fiction
