An unknown entity, an unexplained power source... Earth was in danger. Gargoyles, a winged humanoid race of warriors, had spent thousands of years ensuring the survival of the planet. Rhodack Gahnoth, leader of Clan Gahnoth, demanded his gargoyles defend the realm against a new threat. Sending his most trusted warrior to investigate the unexplainable, he was left speechless when the warrior returned with a little wisp of a female with golden hair by the name of Rina Smith. Her powers were the strongest of any being, and something was hunting her down. To make matters worse, she was under a powerful spell, believed herself to be human, and she was Rhodack's mate. Once the spell was removed, Rina's true identity was revealed, and no one was more shocked than her. She would need a crash course in the world of paranormal to bring her up to speed. One thing she didn't need help with was her attraction to the tall, brooding gargoyle. He didn't hide the fact he wanted her. Her hesitance was met with his persistence. What Rhodack wanted, he claimed. Because of who she was, a war that had no place on Earth would spill into the realm. It would be up to Rhodack and his gargoyles to meet this new enemy head-on. Rhodack vowed to protect Rina, but as fate would have it, she wouldn't need his protection after all--he would need hers. **WARNING:** This book contains material for mature readers (18+ and older) only. It contains steamy MFF, bisexual, and FF ménage paranormal romance.

A troubled gargoyle plays matchmaker in this paranormal romance short story by the author of Fear the Darkness. Gargoyles do not admire difference—and Levet is undeniably different. Of miniscule stature, rather beastly looks, and with fragile, delicate wings, even his family has shunned him, banished him from his beloved Paris. That he is the only gargoyle ever to help defeat the Dark Lord and his hordes of minions makes no impression. But now Levet has come home, determined to be restored to the official Gargoyle Guild. To do so, he must confront the most feared gargoyle in all of Europe. The one who tried to kill him as a child: his own mother . . . With few allies, Levet's survival may depend on the aid of two strangers: Valla, a beautiful but damaged nymph, and Elijah, the fiercely possessive, love-struck vampire clan chief to whom she can't quite surrender—unless Levet has something to do with it . . . Praise for New York Times – bestselling Author Alexandra Ivy “ Ivy always packs her books with buckets of action, emotion and sexy sizzle. Another winner! ” —RT Book Reviews on Devoured by Darkness "The romantic dynamic is smoldering and the seduction focuses on compelling trust, increasing the appeal. ” —Publishers Weekly on My Lord Vampire

A horde of demons from the Abyss. A dread master of the undead. A choice between saving a single city versus the entire world. The tower in the mists has been wrested from the Empress of the Damned and her undead army. Yet demons still hold the tower in the mountains and are using it to summon more of their kind. The problem is demons are not your normal monsters. Weapons of great power are needed to defeat them, demon slaying weapons like those of legend. At the same time, Penwick has come under attack from the inside. Creatures of the night have infiltrated the city and people are disappearing at an alarming rate. Even more terrifying, these vampires might be heralds of the dread Undead Thrall Master. With all Arinthar at stake, can the companions protect Penwick and still find the magic they so sorely need before demons overrun their entire world?

My name is Ace Bissett, and I'm a paranormal detective that doesn't believe in magic. Or at least, I didn't before I met them. The day I inherited my aunt's old house, everything changed. One moment, I was convinced that magic was a hoax. The next, I'm surrounded by four winged, fanged, ridiculously hot guys who are definitely nohuman, and who insist that I'm the only one who can break the curse that binds them to the night. I know I should run far, far away from this hot mess, but there's a connection between us I can't deny. I'm seeing things I can't explain, feeling things that don't make sense. The detective in me has never been able to resist a mystery, and this one is just begging me to dig in. But all that will have to wait, because there's a new threat stalking my city. One with a taste for blood and bone, unable to be killed or captured by normal human means. It's a good thing I've got four new roommates to help me hunt them down. But even if I didn't, I'd figure out a way. Because I never give up. I never give in. And I always protect what's mine. Don't miss this delicious new reverse harem series. Wanted: Magically Armed and Dangerous. Ever since my parents died in the demon war, I've paid my way through life by using magic to con people. It's not right, but a girl's gotta do what she can to survive. Unfortunately, my latest con has left me smack dab in the middle of a murder scene. Now, a coven of angry mages thinks I'm the killer. In order to clear my name, I have to team up with an infuriatingly sexy warlock whose powers are far darker than he admits. Throw in a string of related murders and a vexed vampire clan, and I'm up to my eyeballs in danger. But that's not even the worst of it. When I get too close to the real killer, he casts a life-threatening curse on my grandmother. Before, I just wanted to save my own butt, but now I'll do whatever it takes to track him down-even if it means following him through monstrous dimensions. Because I don't play nice with magic. And when you mess with Grandma, you become #1 on my shit list.

In the instant New York Times bestseller that started the Dark Elements series, one kiss is enough to kill... Layla just wants to fit in at school and go on a date with Zayne, whom she's crushed on since forever. Trouble is, Zayne treats Layla like a sister—and Layla is a half demon, half gargoyle with abilities no one else possesses. And even though Zayne is a Warden, part of the race of gargoyles tasked with keeping humanity safe, Layla's kiss will kill anything with a soul—including him. Then she meets Roth—a demon who claims to know her secrets. Though Layla knows she should stay away, it's tough when that whole no-kissing thing isn't an issue. Trusting Roth could ruin her chances with Zayne, but as Layla discovers she's the reason for a violent demon uprising, kissing the enemy suddenly pales in comparison to the looming end of the world.
